The background of the cover features a person walking away from the viewer on a wooden bridge. The bridge has white railings and leads towards a very bright, glowing light source, possibly the sun or moon, which creates a strong lens flare and illuminates the scene. The sky is filled with soft, white clouds. The overall mood is one of journey, hope, and revelation.

experience God's voice in a whole new way **Peter and Paul in Acts: A Comparison of Their Ministries** David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament. It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire. Luke tells this story by focusing primarily on two men, Peter and Paul. This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles. Their apostolic ministries are examined in the context of several different components: Leadership, Evangelism, and Church Planting; Miracle Working and Healing; and Mystical or Supernatural Experiences. These categories are shown to detail particular aspects of each man's apostleship work. These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke. Spell also devotes a chapter each to Luke's literary method and the relationship of Peter and Paul as seen in their letters. These two chapters lay important groundwork for examining the apostles. This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry. By looking at how Peter and Paul conducted their ministries in the first century, we can be more effective in the twenty-first. **Dreams, Visions and Realities** Bertha M. George Holman-Lowe, 2022-11-03 In this world, people love to be entertained by reality shows. Dreams and visions are supernatural experiences that will bring you into a real reality. God's Word says, "And it shall come to pass afterwards that I will pour out my spirit upon all flesh, and your sons and daughters shall prophesy, your old men shall dream dreams, your young men shall see visions." Joel 2:28 KJV. This book is proof of God's Word and his supernatural blessing in my life. Remember, God is no respecter of persons.

Angelic Mysteries Ricky Roberts, 2005-01-12 Angelic Mysteries is a systematic rationale which sets the record straight about angels and their existence. Dr. Ricky Roberts brings academic analysis to the text of the Scriptures and divides truth from myth, fact from fiction, and information from misinformation. The degeneration of monotheism and the acceptance of other philosophical genres has led to a disintegration of understanding of the mysteries of God's angelic forces. Using the Word of God as the final arbiter, Dr. Roberts systematically reexamines the role of angels in the Bible from the first appearance of the Cherubim in Genesis 3. The truth contained in Angelic Mysteries therefore becomes the standard by which other writings must be measured. Angelic Mysteries teaches the truth about the orders of God's angels, the nature of angels, the works of angels, common facts about angels, and about the author. Dr. Ricky Roberts was completely and instantaneously healed in 1977 of severe learning difficulties that had plagued him since birth. Today he has seven earned doctorates, including two Ph.D.s, and is an authority on ancient languages. He speaks Greek, Hebrew, Aramaic, and Latin. He has been honored by Who's Who in America, Who's Who in the World, and most recently 1,000 Great Americans. Dr. Ricky Roberts is the founder of True Light Ministries, a teaching and healing ministry based in Jacksonville, Florida. **Prophetic Children: Dreams, Visions, and Supernatural Encounters** D'Andrea Bolden, 2017-07 Is your child a dreamer? Does your child see visions? If so, do not ignore them. Although every dream or vision does not have any spiritual benefit, we still need to listen to

our children This is so important because dreams and visions are the language of God Every human being on the planet has the innate ability to receive divine communication from God especially in the form of a dream The concept of dreams is fascinating and has researchers across the globe trying to find answers Dreams are a language all their own and interpretation comes solely from our Heavenly Father So if your child is a dreamer you need to explain to them that God can speak to them through dreams And take the time to show them scriptures about dreams This will cause them to be more mindful and pay attention when they have dreams Remember in 1 Samuel the 3rd chapter God was speaking to Samuel but he was young and did not yet know the voice of the Lord Very often God is speaking to our children and it is up to us to teach them to recognize and respond to the voice of the Lord Understand that not only will God communicate with children in dreams and visions the enemy will try and come with demonic communication Many prophetic children that are dreamers battle with nightmares and being harassed at night by demonic spirits Some children dream vividly almost every night and taking the time to listen to their dreams can give some insight to the source of their dreams or even reveal a message that God has been speaking through dreams The first half of this book is geared towards you the parents and other adults that are responsible for prophetic children The second half of this book is some activities for you to do along with your prophetic child
