Weaving New Perspectives Together María Alonso Alonso, Jeannette Bello Mota, Alba de Béjar Muñíos, 2012-04-25 The present volume seeks to offer a novel and interdisciplinary overview of the question of literary interpretation and the numerous perspectives current in the field today Written by early career researchers and enriched with the important contributions of three senior lecturers the articles contained in this compilation are devised to work as a multi faceted whole that may at the same time give inspiration to students and constitute a guide to more experienced scholars Acting as an integrating entity that agglutinates works from scholars across Europe the editors consider this book to be a clear example of the dynamism of present day literary studies and of the numerous ways in which literature can speak to people Following Margaret Atwood's statement The answers you get from literature depend on the questions you pose this volume may be said to possess the potential to provide as many answers as it poses new questions which will stimulate future research in the field

Film History and Screen Culture in and beyond Greater China Lin Feng, 2025-02-28 Bringing together work from established and emerging scholars and practitioners from around the world this collection expands existing scholarship on cinemas of the Sinosphere by revealing forgotten and emerging aspects of film history Organised chronologically individual chapters cover geographic regions of mainland China Hong Kong and Taiwan to engage with key issues of film history and screen politics that are overlooked by the traditional canon of Chinese cinema Tackling key debates on post colonialism cold war and their sociopolitical impacts on

screen culture in these regions this collection challenges the binary paradigms that are perpetuated in the historical scholarship of Chinese cinema such as left wing and right wing cinema commercial entertainment and political propaganda films and mass consumption of genre films versus the critical acclaim of New Wave auteurism Together the essays reveal the cultural mobility across different geographic and sociopolitical borders their intertwined experience of the past and historical events impact on contemporary filmmaking and screen cultures This collection will be of interest to students and researchers of Film Media and Cultural Studies as well as Asian Studies and Chinese Studies *Routledge Handbook of Chinese Gender & Sexuality* Jamie J. Zhao, Hongwei Bao, 2024-04-09 This Handbook offers a rich survey of topics concerning historical modern and contemporary Chinese genders and sexualities Exploring gender and sexuality as key dimensions of China's modernisation and globalisation this Handbook effectively situates Chinese gender and sexuality in transnational and transcultural contexts It also spotlights nonnormative practices and emancipatory potentials within mainstream heterosexual dominated and patriarchally structured settings It serves as a definitive study research and resource guide for emerging gender and sexuality issues in the Chinese speaking world This Handbook covers interdisciplinary methodologies perspectives and topics including History Literature Art Fashion Migration Translation Sex and desire Film and television Digital media Star and fan cultures Fantasies and lives of women and LGBTQ groups Social movements Transnational feminist and queer politics Paying acute attention to nonnormative genders and sexualities and emphasising the intersectionality of gender sexuality nationality ethnicity and class this Handbook offers an essential field defining text to Chinese gender and sexuality studies *The Chinese Cinema Book* Song Hwee Lim, Julian Ward, 2020-04-30 This revised and updated new edition provides a comprehensive introduction to the history of cinema in mainland China Hong Kong and Taiwan as well as to diasporic and transnational Chinese film making from the beginnings of cinema to the present day Chapters by leading international scholars are grouped in thematic sections addressing key historical periods film movements genres stars and auteurs and the industrial and technological contexts of cinema in Greater China

Sinoglossia Andrea Bachner, Howard Chiang, Yu-lin Lee, 2023-10-12 Sinoglossia places the terms of embodiment mediality and translation at the center of analytical inquiry into Chinese and Sinophone cultures Converging in the rubric of Sinoglossia the chapters in this volume introduce a theory defined by cultural formations not overdetermined by Sinitic linguistic ties The concept of Sinoglossia combines a heteroglossic and a heterotopian approach to the critical study of mediated discourses of China and Chineseness From the history of physical examinations and queer subalternity to the cinematic inscription of Chineseness as landscape and from Sinopop to the translational writings of Eileen Chang and Syaman Rapongan this book argues for a visible conceptualization of cultural objects conditions and contexts that draws attention to an array of polyphonic multi discursive and multilingual articulations In this new horizon of understanding place or topos necessarily constitutes the possibility of friction and source of innovation Sinoglossia opens new possibilities for

critical studies of China Chineseness and Chinese cultures Bringing together pathbreaking scholarship from diverse perspectives and highlighting multiplicity and heterogeneity on a range of topics this volume is a vital addition to a range of fields Karen L Thornber Harvard University Vitality centering and theorizing processes of embodiment mediality and translation this timely and rich volume simultaneously reflective speculative comparative and historically informed convincingly articulates Sinoglossia as a flexible heterogeneous approach to intercultural phenomena tenuously identified as Chinese or Sinophone Brian Bernards University of Southern California **Journal of Asian American Studies** ,2008 Official publication of the Association for Asian American Studies explores all aspects of the Asian American experience Publishes original works of scholarly interest to the field including new theoretical developments research results methodological innovations public policy concerns pedagogical issues and book media reviews Asian Survey ,2007 The Chinese Historical Review ,2008 *Uneven Modernity* Haomin Gong,2012 This book makes a significant contribution to the burgeoning field of Chinese studies as well as the study of uneven development in general *An Integrated Vision of Chinese Scholarship* Ching-i Tu,Xin Ning,Dietrich Tschanz,2015 U.C.
