Qualitative Studies in Social Work Research Catherine Kohler Riessman, 1994 Sociology and psychology are experiencing an increase of interest in qualitative methods yet existing literature emphasizes quantitative methods Qualitative Studies in Social Work Research provides actual examples of social work investigators working systematically with data in alternative ways A diversity of qualitative approaches are represented including field observations interviews organizational documents and literary narratives The studies all by social workers range from examining surface content to analysis of deep structures of discourse Among the social work problems examined are isolation of the chronically ill child welfare sexual abuse and what happens when the homeless apply for welfare This much needed volume is perfect for students Qualitative Studies in Social Work Research will also be of interest to practitioners looking for empirically based insights This edited collection is a first rate celebration of the diversity of methods used in qualitative research What I found most unique about this collection is that the articles do not simply present findings instead they locate the findings within the oftentimes frustrating process of doing research and making sense out of it I strongly recommend this book for qualitative methods courses in sociology Rosanna Hertz Wellesley College and Coeditor Qualitative Sociology Reading this innovative compilation of social work studies provides a wonderful opportunity to explore the strengths and perhaps underexamined limitations of qualitative reports The reports are vibrant and directly convey the language of the participants Affect comes across vividly Characters stand out We do understand participants unique experiences Social workers now have a basis for the exploration of their own qualitative studies It is an important and timely contribution Smith College Studies in Social Work This useful volume offers alternatives to the dominant quantitative paradigm in social research It provides exemplary studies of social work problems using a diversity of qualitative approaches Fokus p Familien Focus on the Family

Men, Women, and Violence Codesria, 2000 Gender based violence is alarmingly widespread across cultures Research is in its initial stages in Africa with few statistics and resources There is too little relevant legislation This selection of papers from the 1997 CODESRIA Gender Institute gathering which included participants from eight African countries The six contributors highlight how universal attitudes of male dominance and patriarchy can literally engender a culture of violence in which

women and children are the victims Case studies from East and West Africa are included *Disobedience, Slander, Seduction, and Assault* Tanja Christiansen, 2004-11 Though the law and courts of nineteenth century Peru were institutions created by and for the ruling elite women of all classes used the system to negotiate the complexities of property rights childrearing and marriage and often to defend their very definitions of honor Drawing on the trial transcripts of Cajamarca a northern Peruvian province from more than a century ago this book shares eye opening details about life among this community in which reputation could determine a woman's chances of survival Exploring the processes of courtship seduction and familial duties revealed in these court records historian Tanja Christiansen has unearthed a compelling panorama that includes marital strife slander disobedience street brawls and spousal abuse alongside documents that give evidence of affection and devotion Her research also yields much new information about the protocols for conflict and cooperation among nineteenth century Peruvian women from all social strata and the prevalence of informal unions in an economy driven in large part by migratory male labor Reviving a little known aspect of Latin American history Christiansen's book simultaneously brings to light an important microcosm of women's history during the nineteenth century Philippine Peace and Human Rights Review, 2004 **Violence Against Women** Joan Nordquist, 1998 **Psychology. Sielkunde**, 2004 *New Literature on Women*, 1994 Gender Inequalities in Health Pirooska Östlin, 2001 Reviewing previous research and presenting new empirical data from Sweden and elsewhere the authors of this revised volume examine basic concepts possible hypotheses explanatory models and policy solutions for the biological and social causes of the differences in health between men and women Men and Masculinities Stephen M. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Woman Battering As Marital Act The Construction Of A Violent Marriage : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Woman Battering As Marital Act The Construction Of A Violent Marriage : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Woman Battering As Marital Act The Construction Of A Violent Marriage : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
