The Outback isn't a place on a map; it's a place in your heart. It's an attitude, how you treat people, a way of behaving. It's your belief system and how a whole nation of Australians often long for a time when life was simpler, less complicated, more genuine. Sue Williams has long been fascinated by the Outback, its striking landscapes, the salt of the earth characters it breeds, its wonders and its weirdness. But to date, her focus has been on others' lives. Now putting her bravest foot forward, Sue sets out to see our country as it really is, warts and all. She accepts every new challenge that comes her way, including pregnancy testing cows at a remote property, joining a cattle drive across Queensland, visiting the deadliest town in Australia and fronting up to a ferocious fighter in the last boxing tent in the world. It's tough for a city slicker, but she won't stop until she discovers what the real Outback is all about. *Women in Pentecostal and Charismatic Ministry*, 2016-11-01. *Women in Pentecostal and Charismatic Ministry: Informing a Dialogue on Gender, Church and Ministry*, co-edited by Margaret English de Alminana and Lois E. Olena, concerns women and Pentecostalism. It introduces the way the Pentecostal charismatic movement has been shaped by and has shaped women from its beginning and offers a wide variety of responses to the opportunities and limitations women have experienced in their commitment to religious service. Scholars, activists, leaders and exemplars from a variety of disciplines reflect on the question: How have women responded to a religious context that has depended upon their gifts while at the same time limited their voices and perspectives? This volume offers missing and/or silent voices, an important corrective and a way forward to shape gender-focused discussions. Contributors are Estrela Yvonne Alexander, Peter Althouse, Linda M. Elizabeth and Elizabeth Sue Williams, 2021-01-05. The story of how two women who should have been bitter foes combined their courage and wisdom to wield extraordinary power and influence behind the scenes of the fledgling colony. I've waited for this moment so long, dreamed of it, prepared for it. I can barely believe it's finally here. But it is. And it is nothing like I expected. There was a short time in Australia's European history when two women wielded extraordinary power and

influence behind the scenes of the fledgling colony One was Elizabeth Macquarie the wife of the new governor Lachlan Macquarie nudging him towards social reform and magnificent buildings and town planning The other was Elizabeth Macarthur credited with creating Australia s wool industry and married to John Macarthur a dangerous enemy of the establishment These women came from strikingly different backgrounds with husbands who held sharply conflicting views They should have been bitter foes Elizabeth Elizabeth is about two courageous women thrown together in impossible times Borne out of an overriding admiration for the women of early colonial Australian history Sue Williams has written a novel of enduring fascination An extraordinary story of female leadership at a time when such a quality was frowned on and female friendship forged against the odds Sue Williams Elizabeth Elizabeth brings us a nuanced and vivid portrait of the early days of colonisation More importantly it delivers a fascinating look into the relationship between two remarkable women Meg Keneally bestselling author of *The Wreck* A fascinating and evocative story of an enduring friendship between two women who played such an important role in colonial Australia s history Caroline Beecham author of *Finding Eadie* *Left for Dead: A True Story of Resilience and Courage* Laurence Barlow, Samantha Barlow, Sue Williams, 2013-08-21 Samantha Barlow doesn t stand a chance As she walks briskly past the start of Arthur Park on her left she can t see a dark figure slinking out of the shadows towards her The first she knows of his presence is when she feels a blow hard to the back of her head delivered with such force it actually dents her skull Samantha Barlow s life changed the day she was brutally attacked on the way to work in Sydney s notorious Kings Cross The popular confident young woman was left for dead dragging herself to a lonely bus stop desperate to stay alive for her two young children The police who attended the crime scene didn t recognise their colleague Inspector Laurence Barlow watched helplessly as his wife s life lay in the balance He d spent his career stopping violent offenders but now found himself on the other side of a crisis Samantha was a highly respected sergeant but she could have been any woman her attacker was a junkie after money Her story touched people everywhere her resilience her indomitable spirit and her triumphant return to work after 22 months of rehab is an inspiration to all Australians This is a brave family s journey to recovery *Women of the Outback* S. Williams, 2003 *The Governor, His Wife and His Mistress* Sue Williams, 2025-01-07 From the bestselling author of *Elizabeth Elizabeth* and *That Bligh Girl* comes another fascinating story of female friendship betrayal and triumphs based on historical events The very best historical fiction Williams novel gives voice in a page turning narrative to the compelling lives and experiences of two forgotten women of early colonial Australia Melissa Ashley author of *The Naturalist of Amsterdam* I very much enjoyed *That Bligh Girl* and eagerly look forward to reading its prequel Judy Nunn author of *Black Sheep* When future governor Philip Gidley King sailed with the First Fleet to the new colony he had his pick of the convict women to look after him Two years and two sons later he set out back to England to provide a report on Sydney and its newly tamed Norfolk Island as his mistress Ann Inett begged him to return to her and their children After a year and a half he did but bringing with him a shocking secret that would cut her to the core

and change all their lives forevermore This is a story of tangled love affairs female friendship twisted loyalties betrayals hardship male infidelity and the tragedies and triumphs of life in a new land Williams skilfully shows the too often overlooked impact women had on the early development of the colony Meg Keneally Weekend Australian Superb narration and engrossing drama Tom Keneally on That Bligh Girl Williams draws a touching portrait of a friendship that manages to thrive despite difficulties small and large Sydney Morning Herald The Age on Elizabeth Elizabeth
