Lang, Robert Carriker, 2013-10-10 In the Pacific Northwest the river of dominance is the Columbia and in ways both profound and mundane its history is the history of the region In Great River of the West historians and anthropologists consider a range of topics about the river from Indian rock art Chinook Jargon and ethnobotany on the Columbia to literary and family history the creation of an engineered river and the inherent mythic power of place Since first contact between Euro Americans and Native peoples during the late 18th century the river s history has been characterized by dramatic demographic social and economic changes The remarkable set of essays in Great River of the West investigate these changes by highlighting important episodes in the history of the river Readers meet mariners who challenge the Columbia River bar a family torn by insanity Native people who preserve fishing traditions and dam builders who radically change the Columbia

The Tie That Bound Us Bonnie Laughlin-Schultz, 2013-11-21 John Brown was fiercely committed to the militant abolitionist cause a crusade that culminated in Brown s raid on the Federal armory at Harpers Ferry in 1859 and his subsequent execution Less well known is his devotion to his family and they to him Two of Brown s sons were killed at Harpers Ferry but the commitment of his wife and daughters often goes unacknowledged In The Tie That Bound Us Bonnie Laughlin Schultz reveals for the first time the depth

of the Brown women's involvement in his cause and their crucial roles in preserving and transforming his legacy after his death. As detailed by Laughlin Schultz, Brown's second wife Mary Ann Day Brown and his daughters Ruth Brown Thompson, Annie Brown Adams, Sarah Brown, and Ellen Brown Fablinger were in many ways the most ordinary of women contending with chronic poverty and lives that were quite typical for poor rural nineteenth-century women. However, they also lived extraordinary lives crossing paths with such figures as Frederick Douglass and Lydia Maria Child and embracing an abolitionist moral code that sanctioned antislavery violence in place of the more typical female world of petitioning and pamphleteering. In the aftermath of John Brown's raid at Harpers Ferry, the women of his family experienced a particular kind of celebrity among abolitionists and the American public. In their roles as what daughter Annie called relics of Brown's raid, they tested the limits of American memory of the Civil War, especially the war's most radical aim: securing racial equality. Because of their longevity, Annie, the last of Brown's daughters, died in 1926, and their position as symbols of the most radical form of abolitionist agitation, the story of the Brown women illuminates the changing nature of how Americans remembered Brown's raid, radical antislavery, and the causes and consequences of the Civil War.

Late Nineteenth-century American Diary Literature Steven E. Kagle, 1988 **Small Worlds** Elliott West, Paula Petrik, 1992. Thirteen essays treat children from the pre-Civil War generation to 1950 as active influential participants in society. The essays are organized into four topics:

cultural and regional variation; toys and play; family life and the ways evolving memories of childhood shape how adults think of themselves. **Life at Four Corners** Carol Coburn, 1992. Defined less by geography than by demographic character, Block, Kansas, in many ways exemplifies the prevalent yet seldom scrutinized ethnic-religion-based community of the rural Midwest. Physically small, the town sprang up around four corners formed by crossroads. Spiritually strong and cohesive, it became the educational and cultural center for generations of German Lutheran families. In this book, Carol Coburn analyzes the powerful combination of those ethnic and religious institutions that effectively resisted assimilation for nearly 80 years, only to succumb to the influences of the outside world during the 1930s and 1940s. Emphasizing the formal and informal education provided by the church, school, and family, she examines the total process of how values, identities, and all aspects of culture were transmitted from generation to generation. **Ethnic Women and Feminist Values** Abraham D. Lavender, 1986.

Retrieving Women's History S. J. Kleinberg, 1992-08-26. Edited by S. Jay Kleinberg, this volume investigates the role played by women in ancient, more recent, and contemporary history and demonstrates that taking into account the activities of women radically alters the perspectives of historians. **The Publishers Weekly**, 1914. *Signs* University of Chicago Press, 1975. **Montana**, 1990. *Tending Children, Chickens, and Cattle* Mary S. Melcher, 1995. **Perinatal Press**, 1988.
