Womens Suffrage Memorabilia An Illustrated Historical Study:

Women's Suffrage Memorabilia Kenneth Florey, 2013-06-06 While historians have long recognized the importance of memorabilia to the Woman Suffrage movement the subject has not been explored apart from a few restricted albeit excellent studies Part of the problem is that such objects are scattered about in various collections and museums and can be difficult to access Another is that most scholars do not have ready knowledge of the general nature and history of the type of objects postcards badges sashes toys ceramics sheet music etc that suffragists produced Then new techniques in both printing and manufacturing created numerous possibilities for supporters to develop campaigns of visual rhetoric This work analyzes 70 different categories of suffrage memorabilia while providing numerous images of relevant objects along the way and discussing these innovative production methods Most important this study looks at period accounts often fascinating of how why when and where the memorabilia were used in both America and England Women's Suffrage in the Americas

Stephanie Mitchell, 2024-07-01 The first hemispheric study to trace how women in the Americas obtained the right to vote Women's Suffrage in the Americas pushes back against the misconception that women's movements originated in the United States The volume brings Latin American voices to the forefront of English language scholarship Suffragists across the hemisphere worked together formed collegial networks to support each other's work and fostered advances toward women gaining the vote over time and space from one country to the next The collection as a whole suggests several models by which women in the Americas gained the right to vote through party politics through decree despite delays justified by women's supposed conservative politics through conservative defense of traditional roles for women and within the context of imperialism However until now historians have traditionally failed to view this common history through a hemispheric lens

Reading Texts in Music and Literature of the Long Nineteenth Century Phyllis Weliver, Katharine Ellis, 2025-06-10 This collection offers students a practical guide to understanding the ways music and literature intersect and the influence of each on the other as well as developing methods of study This is the first coursebook to help students explore the many types of relationship that exist between music and literature when studied in historical or aesthetic contexts It fosters interdisciplinary study among students in these subject areas and helps to break down the barrier of music as seeming impenetrable to students outside musicology Chapters each discuss music text relationships via an important social aesthetic or cultural theme that maps onto key preoccupations of the long nineteenth century Each chapter presents a case study text first followed by a short summary that sets out the challenges of approach and interpretation involved A section on background then places the featured case study in historical or aesthetic context leading to a detailed discussion The book offers a learning experience combining the methodological in music text relationships with the substantive or thematic Contributors Charlotte Bentley Philip Burnett Alisa Clapp Itnyre Elicia Clements Jeremy Coleman Sarah Collins Katharine Ellis Daniel M Grimley Elizabeth Helsinger Fraser Riddell Emma Sutton Shafquat Towheed Phyllis Weliver Christopher Wiley

Votes for Women Kate Clarke Lemay, Susan Goodier, Martha Jones, Lisa Tetrault, 2019-03-26 Published to accompany the exhibition *Votes for Women A Portrait of Persistence* at the National Portrait Gallery Smithsonian Institution Washington D C March 1 2019 January 5 2020 Colophon **The Age of Choice** Sophia Rosenfeld, 2025-02-04 Finalist for the Cundill History Prize A New York Times Book Review Editors Choice A sweeping history of the rise of personal choice in the modern world and how it became equated with freedom Choice touches virtually every aspect of our lives from what to buy and where to live to whom to love what profession to practice and even what to believe But the option to choose in such matters was not something we always possessed or even aspired to At the same time we have been warned by everybody from marketing gurus to psychologists about the negative consequences stemming from our current obsession with choice It turns out that not only are we not very good at realizing our personal desires we are also overwhelmed with too many possibilities and anxious about what best to select There are social costs too How did all this happen The Age of Choice tells the long history of the invention of choice as the defining feature of modern freedom Taking readers from the seventeenth century to today Sophia Rosenfeld describes how the early modern world witnessed the simultaneous rise of shopping as an activity and religious freedom as a matter of being able to pick one s convictions Similarly she traces the history of choice in romantic life politics and the ideals of human rights Throughout she pays particular attention to the lives of women those often with the fewest choices who have frequently been the drivers of this change She concludes with an exploration of how reproductive rights have become a symbolic flashpoint in our contemporary struggles over the association of liberty with choice Drawing on a wealth of sources ranging from novels and restaurant menus to the latest scientific findings about choice in psychology and economics The Age of Choice urges us to rethink the meaning of choice and its promise and limitations in modern life

Postcards Lydia Pyne, 2021-10-13 A global exploration of postcards as artifacts at the intersection of history science technology art and culture Postcards are usually associated with banal holiday pleasantries but they are made possible by sophisticated industries and institutions from printers to postal services When they were invented postcards established what is now taken for granted in modern times the ability to send and receive messages around the world easily and inexpensively Fundamentally they are about creating personal connections links between people places and beliefs Lydia Pyne examines postcards on a global scale to understand them as artifacts that are at the intersection of history science technology art and culture In doing so she shows how postcards were the first global social network and also here in the twenty first century how postcards are not yet extinct [The Art of Feminism](#) Lucinda Gosling, Hilary Robinson, Amy Tobin, 2019 Dedicated to the entire history of feminist artworks on an international scale this comprehensive survey traces the ways in which feminists have shaped art and visual culture from the mid nineteenth to the twenty first century The Art of Feminism charts the birth of the feminist aesthetic and its development over two centuries that have seen profound and fast paced change in women s lives across the globe Including over 350 remarkable artworks ranging from political posters and graphics to stunning and

provocative pieces of painting sculpture textiles craft performance digital and installation art the book begins with poster images produced by the Suffrage Atelier in the nineteenth century moving on to developments of both World Wars before arriving at the birth of feminist art in the 1960s More recent artworks describe the development of feminism from the fall of the Berlin Wall to the present day including examples by Zanele Muholi Paula Rego Lenka Clayton Sethembile Msezane Andrea Bowers Tanja Ostojic Aliaa Magda Elmahdy and Zoe Leonard Other featured artists include Valie Export Ketty La Rocca Ewa Partum Carolee Schneemann Sanja Ivekovic Senga Nengudi Eva Hesse Lynda Benglis Suzy Lake Barbara Kruger Sophie Calle Nancy Spero Marina Abramovic Mary Kelly Judy Chicago Faith Ringgold and Sonia Boyce Edited by Helena Reckitt with texts by Lucinda Gosling Hilary Robinson and Amy Tobin The Art of Feminism also includes a preface by Maria Balshaw Director Tate and a foreword by Xabier Arakistain former director of del Centro Cultural Montehermoso Kulturunea Spain

Anthony,Matilda Gage,Harriot Stanton Blatch,Ida H. Harper,2017-03-09 Experience the American feminism in its core Learn about the decades long fight about the endurance and the strength needed to continue the battle against persistent indifference and injustice Go back in time and get to know the founders and the followers the characters of all the strong women involved in the movement Find out what was the spark which started it all and kept the flame going Learn about the organization witness the backdoor conversations and discussions read their personal correspondence speeches and planned tactics Learn about the relationship between great

activists and what caused the fraction See the movement in its full light and learn what it took to obtain most basic civil rights Know your history This six volumes edition covers the women s suffrage movement from 1848 to 1922 Originally envisioned as a modest publication that would take only four months to write it evolved into a work of more than 5700 pages written over a period of 41 years and was completed in 1922 long after the deaths of its visionary authors and editors Elizabeth Cady Stanton and Susan B Anthony However realizing that the project was unlikely to make a profit Anthony had already bought the rights from the other authors As a sole owner she published the books herself and donated many copies to libraries and people of influence Elizabeth Cady Stanton 1815 1902 was an American suffragist social activist abolitionist and leading figure of the early women s rights movement Susan B Anthony 1820 1906 was an American suffragist social reformer and women s rights activist Harriot Stanton Blatch 1856 1940 was a suffragist and daughter of Elizabeth Stanton Matilda Gage 1826 1898 was a suffragist a Native American rights activist and an abolitionist Ida H Harper 1851 1931 was a prominent figure in the United States women s suffrage movement She was an American author journalist and biographer of Susan B Anthony

Picturing Political Power Allison K. Lange, 2020-05-18 Lange s examination of the fights that led to the ratification of the Nineteenth Amendment in 1920 reveals the power of images to change history For as long as women have battled for equitable political representation in America those battles have been defined by images whether illustrations engravings photographs or colorful chromolithograph posters Some of these pictures have been flattering many have been condescending and others downright incendiary They have drawn upon prevailing cultural ideas of women s perceived roles and abilities and often have been circulated with pointedly political objectives Picturing Political Power offers perhaps the most comprehensive analysis yet of the connection between images gender and power In this examination of the fights that led to the ratification of the Nineteenth Amendment in 1920 Allison K Lange explores how suffragists pioneered one of the first extensive visual campaigns in modern American history She shows how pictures from early engravings and photographs to colorful posters proved central to suffragists efforts to change expectations for women fighting back against the accepted norms of their times In seeking to transform notions of womanhood and win the right to vote white suffragists emphasized the compatibility of voting and motherhood while Sojourner Truth and other leading suffragists of color employed pictures to secure respect and authority Picturing Political Power demonstrates the centrality of visual politics to American women s campaigns throughout the nineteenth and early twentieth centuries revealing the power of images to change history
