Womens Activism And Globalization Linking Local Struggles And Global Politics:

Women's Activism and Globalization Nancy A. Naples, Manisha Desai, 2004-04-16 Women's Activism and Globalization is a broad and comprehensive collection that shows how women activists across the globe are responding to the forces of the new world order in their communities. The first person accounts and regional case studies provide a truly global view of women working in their communities for change. The essays examine women in urban, rural, and suburban locations around the world to provide a rich understanding of the common themes as well as significant divergences among women activists in different parts of the world. *Women's Activism and Globalization* Nancy A. Naples, Manisha Desai, 2002. First Published in 2002.

Routledge is an imprint of Taylor Francis, an informa company. *Gender and Global Politics in the Asia-Pacific* B. D'Costa, K. Lee-Koo, 2008-12-22. This book demonstrates the integral nature of gendered issues and feminist frameworks for a comprehensive understanding of contemporary IR, bringing together the work of feminist scholars, teachers, and activists into a coherent and accessible collection.

Transnational Feminist Rhetorics and Gendered Leadership in Global Politics Rebecca S. Richards, 2014-10-28. *Transnational Feminist Rhetorics and Gendered Leadership in Global Politics* examines the rhetoric surrounding women who hold or have held the highest office of a nation state. Heads of state such as Golda Meir, Margaret Thatcher, Benazir Bhutto, Ellen Johnson Sirleaf, and Michelle Bachelet have navigated their ascent to executive government in vastly different ways while contending with gendered expectations of leadership, especially since most of them are the first woman to occupy their country's highest governmental position. This book analyzes how these women rhetorically perform their positions of power discursively, visually, and physically in a traditionally male leadership role. Specifically, this project examines how certain rhetorical acts open up and close down the potential to confront the gendered expectations surrounding political leadership. When people analyze campaign for or critique a female prime minister or a woman president, they are not just talking about one woman but also referencing a collective neoliberal logic that interrupts and reaffirms the belief that the nation state is an eternal, inevitable structure. Diverse political figures such as Angela Merkel, Julia Gillard, and Indira Gandhi are continually put in conversation with one another through popular media representations, academic scholarship, and political analyses. This book examines the effect of such comparisons and connections, ultimately arguing that many of these gestures reduce or over-simplify women's contributions to world politics. In order to show this effect, this book manifests the transnational connections found in autobiographies, organizations, political commentaries, biographical films, and other sources that focus on women who have been heads of state. **Making**

Feminist Sense of the Global Justice Movement Catherine Eschle, Bice Manguashca, 2010-01-16. In recent years, the global justice movement has grabbed headlines and reshaped political imaginations worldwide. Surprisingly, however, feminism is largely absent from accounts of the movement, despite the fact that feminists are extensively involved on the ground. Addressing this significant gap in the literature, Eschle and Manguashca shine a powerful light on what they term feminist

antiglobalization activism Drawing on their fieldwork at the World Social Forum and European Social Forum 2003 2005 they begin by outlining the vital role of feminist antiglobalization activism in Forum processes and events while also emphasizing its diversity The authors then trace the origins of this activism the critiques and aspirations of those involved their political practices beyond the Forum and their efforts to forge a sense of solidarity among themselves and with others Taking feminism seriously Eschle and Maiguashca conclude points us toward a richer and more theoretically nuanced understanding of the global justice movement and its struggle to create other possible worlds Their book thus offers vital insights not only for feminists but also for all those interested in contemporary social movements and in global governance and resistance

History and Memories of the Domestic Violence Movement Gill Hague, 2021-05-26 In this captivating book activist and scholar Gill Hague recounts the inspiring story of the violence against women movement in the UK and beyond from 1960s onwards examining the transformatory politics behind this movement through an important historical and international lens

Solidarities Beyond Borders Pascale Dufour, Dominique Masson, Dominique Caouette, 2010-08-01 Scholars of social movements tend to overlook the achievements and political significance of women s movements Through theoretical discussions and empirical examples *Solidarities Beyond Borders* demonstrates the creativity and dynamism of transnational women s movements around the world These timely case studies from North America Latin America and Southeast Asia introduce feminists activists and scholars to the benefits and challenges of building relationships dialogues and perspectives that extend beyond the boundaries of nation states and disciplines The contributors open a dialogue between feminist theorists and scholars of social movements in other disciplines in order to foster mutual recognition of common interests and

identities Although feminists and women s groups face challenges as they build solidarities beyond borders this book makes the case that these links can be extended to embrace other progressive movements and their goals *Women's Activism in South Africa* Hannah Evelyn Britton,Jennifer Natalie Fish,Sheila Meintjes,2009 Women s Activism in South Africa provides the most comprehensive collection of women s experiences within civil society since the 1994 transition This book captures South African women s stories of collective activism and social change at a crucial point for the future of democracy in the country if not the continent Pulling together the voices of activists and scholars South Africa s path to democracy and the assurance of gender rights emerge as a complex journey of both successes and challenges The collection elucidates a new form of pragmatic feminism building upon the elasticity between the state and civil society What the cases demonstrate is that while the state itself may not be a panacea it still represents a key source of power and the primary locus of vital resources including the rights of citizenship access to basic needs and the promise of protection from gender based violence all central to women s particular needs in South Africa Feminist Politics, Activism and Vision Luciana Ricciutelli,Angela Miles,Margaret McFadden,2004 This volume brings together essays of remarkable variety and fresh insight by leading feminists from Africa Asia Latin America North America Europe and Scandinavia With clear eyed realism and passionate optimism these articles raise crucial historical organizational ethical conceptual strategic and practical issues facing feminists today The personal accounts political speeches and academic articles collected here reveal a vibrant and multifaceted transnational feminist community redefining wealth work peace democracy sexuality family human rights development community and citizenship They provide a sense of inter related issues being addressed at local national regional and global levels in generative ways which both honor local and global movements Urban Anthropology and Studies of Cultural Systems and World Economic Development ,2004 **Gender Dynamics and Globalisation** Claudia Derichs,Susanne Kreitz-Sandberg,2007 This volume applies a gender sensitive perspective on Japan discussing issues such as national identity the changing appeal of role models legacies of a misogynous past gendered education policies female imaging in the media or working women s networks The transnational dimension of this perspective is highlighted by comparisons drawn between Japan and other countries of the region such as Philippines and South Korea Authors attend to concepts of gender and gendered identities as well as to actors within gendered spaces of society *Women and Politics around the World [2 volumes]* Joyce Gelb,Marian Lief Palley,2009-03-30 A unique two volume examination of the progress women have made in achieving political equality worldwide Women and Politics around the World addresses both transnational issues and specific conditions in approximately 30 different countries *International Social Science Journal* ,2005-06 *Feminist Periodicals* ,2004 *Africa Today* ,2006 **Women's Social Activism in the New Ukraine** Sarah D.
