

The background of the entire image is a dark blue field. In the upper left, there is a large, abstract, colorful shape composed of many small, irregular patches of red, orange, yellow, green, and blue, resembling a mosaic or a textured surface. A dark, winding path leads from the bottom left towards a solid black square located within the colorful area. The text is overlaid on this background.

**Thinking in the Spirit** Douglas Jacobsen, 2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years It follows a group of men who rethought the Christian faith in light of their new experience of God Thinking in the Spirit aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons and to provide Pentecostals with a non judgmental historical source to help them in their theological reflections Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement In a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world

**Prosper Your Soul, Beloved** Vicki Heymann, 2020-12-03 Beloved I pray that you may prosper in all things and be in health just as your soul prospers 3 John 2 NKJV It has been a dream of mine to prosper financially using biblical principles I prayed about it and then one morning the Lord told me that it was time and that He would teach me He instructed me to wait on Him every morning and to write down the things He taught me I followed His instructions guidance and wisdom writing it all down for a full year This book is the result of our time together To my surprise this became a book of many books The Lord would guide me to a specific book teach me from it and then move on to the next book It was totally supernatural As I followed the leading of the Lord it became clear to me that God was taking me on a year long journey of prospering my soul which in turn would influence my financial situation I learnt that I could not prosper in any given area unless my soul prospered in that area too hence the book's title This book takes many twists and turns and even has a few surprises Did I reach my goal of financial prosperity You have to read it to find out *The Essential Works of E. W. Kenyon* E. W. Kenyon, 2025-07-15 The Essential Works of E W Kenyon includes six classic works from the legendary Bible teacher

**A Different Gospel** Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is

presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson      **Christianity Alive! with Prayer Power!** Frances L. Knight, 2011-04-05 Do you often feel that your prayers reach no farther than the ceiling Christianity Alive with Prayer Power shines light on communication with God Join author Frances Knight as she explains Christianity and Prayer Power With amazing correlation of scripture she weaves Biblical principles of Christianity throughout the Lord s Model Prayer with impressive testimonies This Textbook for LIFE shows how you can BE and DO more than you ever thought possible and it has answers for serious problems You will learn How you can know God personally as Father How Jesus paved the way by paying for your sins How the Holy Spirit will empower and lead you through the maze of life that is complicated by the evil one How to forgive yourself and others how to overcome temptation In Him you can be a Victor And you will get a glimpse of Glory Whether you are a novice or a scholar this book will provide personal inspiration and is a great source for sermons and Bible Study lessons Past publishing editor Leonard LeSourd wrote I kept your book by my nightstand Frances wrote the most interesting and complete book on prayer that I have ever read anywhere at anytime by any author even while working on my doctorate Rev Gene Horton Th D Frances has been a Ladies Bible Teacher at the First Baptist Church in Rio Hondo Texas for forty one years Also she has conducted many seminars and taught prayer principles on more than sixty TBN Praise the Lord programs from the KLUJ Channel 44 station Frances and her devoted husband Bob have been married for fifty seven years and live in Harlingen Texas      Book 6 Biblical Faith PB Kurt Jurgensmeier, 2012-10-28 Faith is a vital topic in Christian theology However the concept is more complex than is assumed John Stott writes One wonders if there is any Christian quality more misunderstood than faith We demonstrate that Scripture uses faith in a variety of ways including saving faith false faith miracle faith empowering faith and visionary faith Failure to recognize this leads to serious error in both Arminianism and charismaticism Included is an extended section on visionary faith that enables us to step out in courage taking risks to pursue human plans to fulfill God s commands In our defense of the fact that biblical faith must rest on biblical revelation we critique the inclusivism of John Wesley Billy Graham and C S Lewis which claims salvation can be apart from a revelation of the Gospel Finally we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates There is no such thing as a biblical leap of faith apart from reason      **E.W. Kenyon and His Message of Faith** Joe McIntyre, 1997      **The 'Spiritual Death' of Jesus** William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity      **Prosperity Gospel?** Christopher

Richmann,2020-01-09 F F Bosworth was the only major living link between the late nineteenth century divine healing movement that gave birth to Pentecostalism and the post World War II healing revival that brought Pentecostalism into American popular culture At once on the fringes and in the mainstream of American Pentecostalism Bosworth has largely been ignored by historians Richmann demonstrates that Bosworth's story not only draws together disparate threads of the Pentecostal story but critiques traditional interpretations of speaking in tongues Azusa Street denominational affiliation divine healing the relationship to fundamentalism the Word of Faith movement and eschatology In this critique Richmann provides a much needed critical biography of Bosworth as well as a fresh interpretation of Pentecostalism Importing Faith Glyn J. Ackerley,2015-10-23 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and God sent financial provision Many have left the

mainstream churches to join independent charismatic churches led by those who are perceived to have special insights into faith and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith or are too negative This study seeks to discover the origin of the principles that are taught by some charismatic leaders Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and American pragmatism These principles were imported into the UK through contact between British leaders and those influenced and trained by American word of faith teachers The author seeks to explain the persuasiveness of such teachers through examining case studies He suggests their miracles may well have social and psychological explanations rather than divine origins The Power of Your Words E. W.
