Third Series** Library of Congress. Copyright Office, 1979 Christianity Without the Cross Thomas A. Fudge, 2003 Grounded in primary source research this boldly revisionist book examines the doctrine of salvation in Oneness Pentecostalism United Pentecostal Church from its origins through its several developmental stages The gradual rise of a literal interpretation of Acts 2:38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition associated with important figures such as Howard A Goss A D Gurley W M Greer C H Tadon Wynn T Stairs Earl Jacques E P

Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and theological research with the principles of a broadly based oral history this study argues for a theological diversity within the history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United Pentecostal Church Simply Grateful Regina D. Fowler,2022-01-28 Ephesians 3 20 This scripture is not simply saying God is able to bless us in a great way or with abundance of course He can and does It is telling us that God is able to exceed what we as mere humans consider to be abundance If we think what we have is an abundance then we have fallen short on our understanding of what God can do If we can imagine it then God can exceed it Therefore after the phrase exceeding abundantly comes the phrase above all that we ask or think God does not limit what He can do for us only we can do that according to the power that worketh in us In other words only our level of faith in God limits how far He exceeds our expectations Be clear abundance is not just about how much money or material possessions we have it s more about the peace we can experience amid our abundance *Paperbound Books in Print 1995* Reed Reference Publishing,R5ference Reed,1995-12 **Catalog of Copyright Entries, Third Series** Library of Congress.
