Galatians Reconsidered Neil Martin, 2022-10-20 What would the world look like if the Old Perspective on Paul was right about justification the New Perspective was right about Judaism and the Radical New Perspective was right to note ongoing differences between Jewish and Gentile converts Galatians Reconsidered is a compelling practical study of Paul the Apostle's writing that explores just that Emphasising the central role played by regression in Paul's argument on justification Neil Martin examines the dichotomy between faith and works and how the apostle envisaged the differences in how Jews and Gentiles should interact with the Law By re-establishing Galatians in its original Jewish and pagan context Martin exposes the problems faced by Galatian churches and shows how they still speak to modern churches today His insight not only helps us better appreciate Paul's message but challenges us to put his wisdom into practice in our own church settings Provocative and stimulating Galatians Reconsidered is a robust new look at the question of justification It will leave you with a thorough knowledge of the merits and failings of

both the old and new perspectives on Paul as well as a broader understanding of the letter to the Galatians both in the context in which it was written and its continued relevance today

Regression in Galatians Neil Martin, 2020-10-12 Exposing strengths and weaknesses in the Old New and Radical New Perspectives on Paul Neil Martin's analysis of regression language in Galatians in its first century context argues that the apostle's supposed anti law polemic reflects an underlying antipathy for pagan not Jewish religiosity

The Soteriological Use of Call by Paul and Luke Ian Hussey, 2018-07-12 The congruence of the theology of Paul and Luke is a matter of debate In particular according to many scholars the soteriologies of Paul and Luke are divergent This volume argues that the usage of language by both Paul and Luke suggests that it may be a common element in their soteriologies The author demonstrates that language is an important concept in the soteriologies of Luke and Paul and that although there are contrasts there are a number of points of comparison Crucial to this common understanding is the association of language with the OT covenants election covenant meals and an expectation of the eschatological banquet As a result of this prominent and consistent usage by Paul and Luke the language of deserves a higher place in the Christian understanding of salvation This has implications for Christian life and practice

Women and Men in Ministry Robert Saucy, Judith TenElshof, 2001-05-01 The role of women in the church is a debate that has raged within the church for much of the twentieth century On one side are those who say there is no difference between men and women On the other side are those who severely limit women who want to offer ministry to the church Judith TenElshof and Robert Saucy take the middle approach Believing that the modern views have denied the

distinctions between men and women the authors adopt a view called complementarianism TenElshof and Saucy argue that while men and women are equal God has given different roles to each and that these roles rely on each other to be fully effective

A Radical Jew Daniel Boyarin,1994 Talmudic scholar Daniel Boyarin turns to the Epistles of Paul as the spiritual autobiography of a first century Jewish cultural critic and explores what led Paul in his dramatic conversion to Christianity to such a radical critique of Jewish culture Boyarin s incisive questioning is relevant to cultural clashes in many parts of the world Robin Scroggs PRINCETON SEMINARY BULLETIN

The Risen Crucified Christ in Galatians Robert A. Bryant,2001

Echoes of the Exodus Narrative in the Context and Background of Galatians 5:18 William N. Wilder,2001 In Galatians 5 18 Paul declares that if you are led by the Spirit you are not under the law In this study William N Wilder departs from conventional interpretations by arguing that the language of Galatians 5 18 represents Paul s new exodus understanding of the Christian experience According to Wilder Paul consistently uses the phrase under the law to refer to a bondage he understood as particular to the Jews with strong connotations of a specifically Egypt like slavery attached to this phrase in Galatians Wilder also argues that the typological association of the Spirit and the exodus cloud found elsewhere in Paul in a comparison of 1 Corinthians 10 1 4 and 1 Corinthians 12 13 is likewise assumed in the phrase led by the Spirit and may be traced back to the Old Testament prophetic literature and Psalms Hag 2 4 5 Isa 63 11 14 Neh 9 19 20 Ps 143 10 The author gives special attention to the influence of Psalm 143 on Paul s theology contending that it provides an Old Testament source both for the new exodus assumptions in Galatians 5 18 and for the apocalyptic flesh Spirit antithesis that dominates the larger context of that verse

The Elder and Overseer Benjamin L. Merkle,2003 Recent challenges to the traditional view that the terms elder and overseer in the New Testament refer to the same office has caused the majority opinion to shift After examining the background of the terms in Jewish and Greco Roman sources Paul s view of organized ministry in his letters to churches and the relevant material in Acts and the Pastoral Epistles Merkle concludes that the two terms are used interchangeably representing the same office

Children of God Angela Shier-Jones,2007 Children and childhood are among the most neglected subjects of Christian theology What does it mean to be a child of God if the examples of childhood in Scripture and the Christian tradition are taken seriously and placed in dialogue with twenty first century science sociology and morality This collection of essays draws together a wealth of different perspectives on a much neglected but vital subject of theology and Christian living

Ann Jervis,Peter Richardson,1994 This Festschrift in honour of Richard N Longenecker author of Paul Apostle of Liberty The Christology of Early Jewish Christianity The Ministry and Message of Paul Biblical Exegesis in the Apostolic Period The Acts of the Apostles in The Expositor s Bible Commentary New Testament Social Ethics for Today and Galatians

Word Biblical Commentary is centered on the theme of gospel in Paul. Notable Pauline scholars discuss gospel from five different perspectives: the historical, the theological, the hermeneutical, the rhetorical, and the epistolary. Each author discusses one of these five perspectives within one part of Paul's correspondence: 1 Gospel in Romans, 2 Gospel in Galatians, and 3 Gospel in the Corinthian letters. The volume promotes discussion both on methods of reading Paul's letters and on important historical, theological, and hermeneutical issues.
