Words Made Flesh Words Made Flesh:

Words Made Flesh Justine Bakker, David Kline, 2025-06-03 The first sustained treatment of religion and religions in the scholarship of a prominent Caribbean thinker Sylvia Wynter is a profoundly transdisciplinary scholar whose works span an impressive array of theory literature science anthropology philosophy and religious studies as well as different forms including essays plays a novel and a 935 page unpublished manuscript entitled *Black Metamorphosis New Natives in a New World* Whatever the medium Wynter frequently engages religion as a relevant category of analysis from reflections on Christianity Islam and Rastafarianism to the category and role of religion as a universal aspect of human social production Wynter's writings have received enthusiastic attention by scholars in Black studies Caribbean theory critical race theory literature and philosophy But until recently little scholarly writing exists that directly engages the topic of religion in her corpus *Words Made Flesh* seeks to fill this gap by focusing exclusively on religion religions and religiosity in her work Bringing together scholars that provide a wide variety of theoretical perspectives on religion political theology social theory and science studies this book offers an in depth engagement with one of the most innovative and important thinkers of the last forty years and illustrates how Wynter's writing has significant implications for the study of religion and religion's relationship to colonialism race humanism science and political theology

The Sacrament of the Word Made Flesh Robert J. Stamps, 2013-08-01 Robert Stamps offers us a compelling case for the significance of the theology of Thomas Torrance to current discussions about Trinitarian doctrine and worship He shows that Torrance's Christology and Eucharistic thought validates the Reformed confession of a profound real spiritual presence in the Eucharist This book serves as a helpful introduction to Torrance especially his framing of revelation Moreover it invigorates our understanding of the theological meaning of sacramental devotion Its readers will be stimulated provoked and dare I say inspired by its insights into and critiques of one of the most important and recent Reformed thinkers In sum this is a timely and exciting book It will well serve pastors theologians and thoughtful Christians of many theological perspectives MARK VALERI E T Thompson Professor of Church History Union Theological Seminary Virginia One of the values of this work is that it has deliberately sought not so much to discuss a particular problem or a collection of issues as to identify Torrance as an example of an archetypal Reformed theology of the Eucharist To say that Dr Stamps has been industrious is patently an understatement the truth is that he has been indefatigable in his search for the least morsel that Torrance offers Yet it is not so much as a study of Torrance that this book is to be commended its great value is that it offers a contextualization of Torrance's thinking on the Eucharist in ecclesiology the more general dimension of an incarnational theology as well as his understanding of cosmology and epistemology I hope that Dr Stamps book will not only find grateful readers but will be repaid by profound reflection on this symbol of the heart of faith JOHN HEYWOOD THOMAS Emeritus Professor of Theology University of Nottingham

The Word Made Flesh Eugene Peterson, 2010-03-18 THE WORD MADE FLESH is Eugene Peterson at his best writing

about words and the way we are called to use them Continuing Peterson's evaluation of contemporary Christian Spirituality THE WORD MADE FLESH is an extended meditation on language and the way it should be used in Christian community As with the first three books in the series THE WORD MADE FLESH is written for both lay and academic audiences Challenging but deeply rewarding it combines scholarship with the human experience and lightness of touch for which Peterson is known Also available in the Spiritual Theology series Christ Plays in Ten Thousand Places Eat This Book The Jesus Way and Practise Resurrection *The Word Made Flesh* David J. Bowman, 1963 **The Word Made Flesh** Johanna Drucker, 1996 Calling attention to the visual materiality of the text this book attempts to halt linear reading trapping the eye in a field of letters which make a complex object on the page The writing refers continually to the visceral character of language literalizing metaphors of tongue breath and flesh The work both embodies and discusses language as a physical form one whose properties cannot be ignored by arriving at a disembodied content The format of this work invokes a reference to the carmina figurata of the Renaissance works in which a sacred image was picked out in red letters against a field of black type so that a holy figure could be seen and meditated on in the process of reading The technique is reversed here with the red field of small type serving as a background in which large black letters are arranged like figures on the red ground This is a facsimile reprint of an original letterpress edition issued in 1989 God-man George Washington Carey, Inez Eudora Perry, 1920

Word Made Global Mark R. Gornik, 2011-07-22 A groundbreaking work of ethnography urban studies and theology Mark Gornik's Word Made Global explores the recent development of African Christianity in New York City Drawing especially on ten years of intensive research into three very different African immigrant churches Gornik sheds light on the pastoral spiritual and missional dynamics of this exciting global transnational Christian movement John Gail R.

O'Day, Susan Hylen, 2006-01-01 The Gospel of John is one of the most beloved books in the Christian canon Its stories and images have long captured the imaginations of Christians Not only is it one of the most popular writings of the New Testament but many aspects of its style and outlook are distinctive In this clear thorough and accessible commentary on the Gospel of John scholars Gail O Day and Susan Hylen explore and explain this Gospel's distinctive qualities Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups **The Word Made Flesh** Daphne

Velterop, 2012-05-29 Christ arrived on earth as GOD INCARNATE There is no purer source no wiser words no more creative flow of life than the Word of God made flesh in Jesus Christ This is a collection of inspired poems and prose pieces that stem

from a woman whose sole purpose in life has been to hear the Word of God made manifest **The Word Made Flesh** A. B. Simpson, 1995-08-01 Extracted from A B Simpson s Christ in the Bible Commentary this exposition on the book of John traces the unfolding of the person and glory of Jesus as the Messiah and the Son of God The emphasis on knowing and believing in Jesus shines throughout this classic study a superb sample of Simpson s biblical insight **The Revelation of St. John the Divine - Volume 2** Herb Fitch, 2011-11-28 This is the second book of two volumes which completes Herb Fitch s interpretation on The Revelation of St John the Divine It was transcribed word for word from the tapes of classes 14 through 25 of the Revelation Seminar he gave in 1970 Over the centuries John s Revelation was in plain sight yet not understood and the reason is because only the Christ Mind in man can reveal the Truth of Being Not until the year 1970 did a man who also experienced the Mind which was in Christ Jesus sit still in meditation over many months until at last the entire message of the Revelation was revealed once again That man was Herb Fitch For those of you who have learned to make that contact with Spirit within this book will now take you further on the Spiritual path This book will show you how to let that Spirit take over your life In other words it will help you to die out of humanhood and be a transparency for Christ bringing to you an actual awareness of your own Christhood It is suggested that you find a quiet place and read only one chapter at a time until Something calls to you from these pages Then put these writings down and walk away find a place and sit down to meditate on what has stirred you within I can tell you with a certainty born of experience that you can walk in another Dimension right here and right now a Kingdom an inner Temple not made with hands incomprehensible to the human mind It is the Dimension in which your Eternal Self walks It is the Kingdom in which your Spiritual identity resides It is an inner Presence the Spirit closer than breathing nearer than hands and feet and it must take over your entire living experience both within and without Only then will you be obeying the message You must be born of the Spirit Trinitarian Doxology Kevin J. Navarro, 2020-10-29 Most approaches to liturgical theology are anthropocentric the study of liturgy is primarily focused on what we the worshipers do Thomas F Torrance and James B Torrance offer a trinitarian and christocentric approach This informs not only the why of worship and not simply the what or how of worship but centers on the One whom we worship Most significantly it fully recognizes the key role of the humanity of Christ as the ascended High Priest who alone offers the perfect worship and through whom alone we are enabled by the Spirit to worship God The Lord's Supper Charles Hebert, 1879 Select Treatises of St. Athanasius in Controversy with the Arians Saint Athanasius (Patriarch of Alexandria), John Henry Newman, 1920 The Conservator , 1908 *The Life and Teachings of Our Lord in Verse Being a Complete Harmonized Exposition of the Four Gospels, with Original Notes* Abraham Coles, 1885 **Saint John and the Close of the Apostolic Age** Constant Fouard, 1905 The Bread of Life: a manual of instruction and devotion for the Blessed Sacrament.
