Love's Curriculum Jenny Hogg Ashwell, 2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love's Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council's gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul's assignment to scribe Love's Curriculum for the High Council and bring forth their messages to the world It is with great humility courage and gratitude that she has done just this Now it is your turn Let Love's Curriculum gently awaken within you the memory of Love as you uncover your soul's Divine purpose Let it guide you to ignite Love in the world The time has come to join in the Awakening We wish for you to read Love's Curriculum Within its pages you will find the Bounty of Love and Light to which you have been called for which you have been dreaming and desiring to fill within you the void Within its pages are the answers contained the magic brought forth the truth illuminated for all to hear and see Let Love's Curriculum help you on your journey to awaken to Love It is time The High Council **Two Little Boys** Melbourne W. Lawler, Thomas J. Shanahan, 1995 It is taken for granted today among theologians that the principal achievement of the Second Vatican Council was its Dogmatic Constitution on the Church *Lumen Gentium* It is beginning to be equally taken for granted that the core of this central document is its vision of Church as communion Communion Pope John Paul II has said is the very mystery of the Church Church A Spirited Communion grows out of the ecclesiology of the Council as a systematic treatment of this notion of communion Church A Spirited Communion is not however a book only about the Church It is a book about the God whom Christians confess as Triune who calls the Church into existence and who seeks its commitment in every age It is a book about the Church only to the extent that the Church is in communion with this God To the extent that it is a book which is primarily theo logical and only secondarily ecclesio logical it is a book which adheres to God rather than to men and summons the Church to do the same *Words of Love*, 1990
