Children of Alcoholics Kenneth J. Sher, 1991-10-08 This study offers a comprehensive critical look at what is known and not known about children of alcoholics and also constructs a model for assessing existing theory and introducing new methodological rigor into this field Clinical Management of Sex Addiction Patrick Carnes, Kenneth M. Adams, 2013-06-17 This is the first comprehensive volume of the clinical management of sex addiction Collecting the work of 28 leaders in this emerging field the editors provide a long needed primary text about how to approach treatment with these challenging patients The book serves as an excellent introduction for professionals new to the field as well as serving as a useful reference tool The contributors are literally the pioneers of one of the last frontiers of addiction medicine and sex therapy With a growing awareness of sex addiction as a problem plus the advent of cybersex compulsion professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation This is the first book distilling the experience of the leaders in this emerging field With a focus on special populations it also becomes a handy problem solving tool Readable concise and filled with useful interventions it is a key text for a problem clinicians must be able to identify It is destined to be a classic reference **Co-Dependence Healing the Human Condition** Charles Whitfield, 2010-01-01 Of all the books on the often misunderstood concept of co dependence this is probably the clearest most complete and informative Charles Whitfield is a frontline clinician who has been assisting co dependents in their healing for over twenty years He has

researched the literature on co dependence which he summarizes in this widely read book He sees co dependence as a way to more accurately describe the painful and confusing part of the human condition In careful detail he describes just what co dependence is and what it is not how it comes about and how to heal its painful aftereffects **The Group Therapist's Notebook** Dawn Viers,2012-03-07 Get innovative ideas and effective interventions for your group therapy Group work requires facilitators to use different skills than they would use in individual or family therapy The Group Therapist s Notebook Homework Handouts and Activities for Use in Psychotherapy offers facilitators effective strategies to gather individuals who have their own unique needs together to form a group where each member feels comfortable exploring personal and often painful topics This resource provides creative handouts homework and activities along with practical ideas and interventions appropriate for a variety of problems and population types Each chapter gives detailed easy to follow instructions activity contraindications and suggestions for tracking the intervention in successive meetings Every intervention is backed by a theoretical or practical rationale for use and many chapters feature a helpful illustrative clinical vignette Group work has several benefits including the ability to treat a greater number of clients with fewer resources Group therapy work also relies on various theories that may seem to be difficult to apply to clinical practice The Group Therapist s Notebook is a practical guide that builds a bridge between theory and practice with ease The text provides help for psychotherapists who are either beginning group practice or already utilizing groups as part of their practice and need a fresh set of ideas The workbook framework allows group specialists to generate approaches and modify exercises to fit the varying needs of their clients This guide offers a wide variety of valid approaches that effectively address client concerns The book provides therapists with tips and ideas for starting and facilitating a group assists them through sets of interventions activities and assignments then showcases a variety of interventions for needs specific populations or problems Special sections are included with interventions for teens young adults couples and family groups Interventions in The Group Therapist s Notebook include anger management skills ease feelings of shame and guilt substance use and abuse grief and loss positive body image guidance through change independence and belonging interpersonal skills coping skills crisis intervention strategies much much more The Group Therapist s Notebook is an essential resource for both novice and more experienced practitioners working in the mental health field including counselor educators social workers guidance counselors prevention educators and other group facilitators Every nonprofit agency counseling center private practice school hospital treatment facility or training center that organizes and implements therapy groups of any type should have this guide in their library **Curriculum and the Life Erratic** Leslie B. Nissen,2013-10-30 Curriculum and the Life Erratic The Geographic Cure lays bare the untold damage done to children who are forced to endure the toxic combination of fermented parenting as author Leslie Nissen has termed it and frequent family moves at the hands of alcoholic parents who perpetually seek the elusive Geographic Cure While such parents deceive themselves that in the next new place sobriety will

prevail their children know better Alcoholics who chronically uproot their families for a fresh start usually carry along every reason to drink For the school age children of such cure seeking alcoholics the torment of life with a volatile unpredictable and chronically intoxicated parent is intensified by the anguish of being the new kid who changes schools at the whim of the parent Highly mobile children bearing an alarmingly long list of prior schools may be part of a group which Nissen calls Geographic Cure Children whose chances of finding help are nearly non existent despite their acute need for care The dilemma of this unique subset of Children of Alcoholics is examined via autobiographical psychoanalytic and fictional lenses Nissen also recounts her own urge to hit the road when diagnosed with cancer and explores the Geographic Cure writ large observing how the current testing frenzy and clamor for cures for low test scores dominate educational policy Could teachers panic about accountability cause them to resent new students who appear at their classroom doors mid year Is education encumbered because at the hands of policy makers educators are working the Life Erratic
