Artie Garr together they were Tom Jerry before finally using their very ethnic sounding given names Bob Leszczak has amassed several hundred examples of musical pseudonyms in The Encyclopedia of Pop Music Aliases 1950 2000 describing the history of these artists from their obscure origins under another name to their rise to prominence as a major musical act Music trivia buffs rock historians and popular music fans will uncover nugget after nugget of eye opening information about their favorite acts and perhaps learn a thing or two about a number of other acts Leszczak goes the extra yard of gathering critical data directly from many of these famous recording artists through in person interviews and archival research Whether skipping around randomly or reading from cover to cover readers will find The Encyclopedia of Pop Music Aliases 1950 2000 a must have for that music library
