H. Wright, 2016-04-19 Many preachers ignore preaching from the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly turning it into moralistic rules or symbolic lessons for our spiritual life In How to Preach and Teach the Old Testament for All Its Worth Christopher J H Wright proclaims that preachers must not ignore the Old Testament It is the Word of God The Old Testament lays the foundation for our faith and it was the Bible that Jesus read and used Looking first at why we should preach from the Old Testament the author moves on to show the reader how they can preach from it Covering the History Law Prophets Psalms and Wisdom Literature interspersed with practical checklists exercises and sermons Wright provides an essential guide on how to handle the Old Testament responsibly What Can You Do with Your Bible Training? Brandon C. Benziger, Adam W. Day, 2023-06-23 Employment in the field of biblical studies has changed significantly in recent years and the coronavirus pandemic has only exacerbated the resulting challenges The purpose of this anthology is to inform and inspire evangelical students and graduates of biblical studies programs about the wide variety of training related vocational paths they can pursue both conventional and unconventional The book does this by listing and categorizing twenty five relevant pathways sharing the stories and insights of insiders within each pathway and calling for further creativity in putting one's biblical training to work Each contributor shares 1 how they settled into their represented occupation 2 the ways in which they have used their biblical training in that occupation 3 the joys and trials of their work and 4 advice for those who would like to follow in their footsteps The volume stands in the tradition of several nuts and bolts like resources within the guild e.g Nijay Gupta's Prepare Succeed Advance and Ben Witherington's Is There a Doctor in the House and it seeks to develop that

tradition considerably **On Pastoring** H B Charles Jr, 2016-05-13 Ministry is harder than I thought it would be No pastor is ever fully prepared for the ministry For pastors just starting out those needing a little rebalancing or those growing tired in the trenches a handbook on the basics is a welcome relief In *On Pastoring* veteran pastor H B Charles gives 40 quick chapters on the practical aspects of pastoral ministry Covering the devotional life spiritual leadership and public ministry of the pastor he provides advice on topics like Avoiding pastoral risk factors Prioritizing your family Equipping and leading leaders Caring for the sick and grieving Guarding your heart in the pulpit Conducting funerals and weddings Being a pastor means wearing many hats weathering lots of pressure and bearing great responsibility Let H B Charles be a trusted advisor as you do the hard work of shepherding a flock of God *Preaching and Teaching Difficult Texts of the New Testament* Bryan Murawski, 2025-08-05 Understand how to preach or teach all the New Testament including passages or genres that prove challenging What do preachers do when they come across a difficult passage not covered in seminary What about teachers who haven't even been to seminary This book equips all of them to understand and handle challenging passages and genres in the New Testament such as Introductions lists of names and conclusions in the epistles Well known well worn stories Short passages Texts that may not be considered inspired or that have textual issues Old Testament quotations or allusions References to noncanonical texts such as Enoch or Maccabees Enigmatic passages such as baptized on behalf of the dead 1 Cor 15:29 Potentially explosive topics such as homosexuality and gender Eschatological texts such as Jesus Olivet Discourse or the book of Revelation Preaching and teaching the Bible is difficult work but it's worth the effort As Paul wrote to Timothy all Scripture is inspired and useful for teaching even the difficult ones If we know where to look and how to dig significant treasure awaits the adventurous preacher and teacher **Preaching** John F. MacArthur, Master's Seminary Faculty, 2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master's Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers
