Language and Learning in

Multilingual Classrooms Elizabeth Coelho,2012 This book offers practical research based advice for teachers and other educators on how to adapt school and classroom procedures curriculum content and instructional strategies in order to provide a supportive learning environment for students of minority language backgrounds who are learning the language of instruction at the same time as they are learning the curriculum

Strategies to Support Struggling Adolescent Readers,

Grades 6-12 Katherine S. McKnight,Lisa Hollihan Allen,2018-03-02 When students are in elementary school a teacher who has expertise in teaching the fundamentals of reading instructs them At the middle and high school level that stops and the timing could not be worse The literacy demands increase exponentially yet typically schools do not teach adolescents how to successfully read the increasingly difficult materials they encounter throughout their day As the rigor increases in their classes student coping skills become less effective Consequently the achievement gap becomes wider and more difficult to close during the adolescent years When it comes time to prescribe an intervention middle and high school teachers are hitting a wall Decoding and comprehension materials are often presented at an elementary level The students feel bad enough that they struggle with reading assigned baby work increases the stigma This book addresses the need for 6 12 teachers to have appropriate literacy intervention materials to use with struggling adolescent readers This book will also help teachers learn how to support any adolescent reader struggling or not when they encounter challenging text The book features two strands decoding and comprehension Each strand contains lessons materials a difficulty dial tips for implementation and student samples

Computer-Assisted Language Learning: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources,2019-01-04 In a diverse society the ability to cross communication barriers is critical to the success of any individual personally professionally and academically With the constant acceleration of course programs and technology educators are continually being challenged to develop and implement creative methods for engaging English speaking and non English speaking learners Computer Assisted Language Learning Concepts Methodologies Tools and Applications is a vital reference source that examines the relationship between language education and technology and the potential for curriculum enhancements through the use of mobile technologies
