Riding Spirit Horse: A Journey Into Shamanism Michael Drake, 2022-01-04 In this visionary memoir author Michael Drake recounts his spiritual journey into shamanism Drake's engaging narrative moves from his first ecstatic experience as a youth at a church revival to his mystical shamanic awakening transformational pilgrimages to sacred places working with indigenous wisdom keepers to the experiences that prompted his writing particularly his trance experiences riding the drum or Spirit Horse Studying with Native elders and shamans Drake discovered his shamanic gifts as a drummer storyteller and ceremonialist Riding Spirit Horse takes readers on a transcendent pilgrimage of the soul through birth death rebirth ritual

and ceremony to the frontiers of expanded consciousness **A Journey in Search of Wholeness and Meaning** Rupert Clive Collister, 2010 This book explores the concept that the reality which is created by the consciousness inherent in the Western worldview is exceptionally limiting and probably unsustainable After describing the contexts within which the book was written the author documents his personal journey in search of wholeness and meaning From his experience of this journey he suggests that the wisdom insight and praxis contained within what he describes as the meta narratives of Holism Indigenous cultures and Eastern traditions are manifestations of a holistic consciousness The author explores the concept that a shift to such a holistic consciousness is required in order to redress the imbalance that is evident in all humanity's relationships and he suggests that enabling such a shift in consciousness would have deep implications for the concepts and contexts of community adult learning meaningful work and sustainability Bible translation and the spread of the church Philip C. Stine, 2016-04-26 The growth of the Church in the last two centuries has been paralleled by an explosion in the number of languages into which all or part of the Bible has been translated This book is perhaps the first serious effort to examine a number of issues related to that phenomenon among them how theology can affect the kind of translation prepared and how the type of translation itself can affect the theology of a church It also addresses the topics of why a church generally develops faster and with a deeper faith if it has the Bible how decisions of text canon exegesis type of language and type of translation are related to the matter of authority what forces are at play in a culture to which a translator must be sensitive and how Bible translation affects a society and culture The authors of these papers are distinguished scholars in the fields of missiology history cultural anthropology theology or church history Some address theological issues of Bible translation and others the cultural and political questions But ultimately they conclude that if the church of tomorrow is to grow and not be fragmented then access to the Bible will be crucial *Buffalo Woman Comes Singing* Brooke Medicine Eagle, 2011-11-30 This vibrant book of wonders speaks true and dreams deep Writing with blazing honesty she tells of her hard won knowledge of many of the world's spiritual and healing traditions while hold the Sacred Hoop of Native American wisdom This magnificent teacher becomes for us a new embodiment of White Buffalo Woman Jean Houston Author of *THE SEARCH FOR THE BELOVED BUFFALO WOMAN COMES SINGING* explores fascinating uses of traditions like the Medicine Wheel healing through ritual action dreamtime and the moon lodge the woman's place of retreat and visioning These powerful personal tools integrate ancient wisdom with contemporary experience as Buffalo Woman calls each spiritual warrior to her own true place in the dance of life *BRAVE, GENEROUS, & UNDEFENDED* Barbara Du Bois, 2023-08-15 Brave Generous whatever I know she knows I am asking all my friends to make sure you read this precious book His Eminence Garchen Triptra Rinpoche from the Foreword This profound yet practical book will inspire support guide and invigorate beginning seekers and advanced practitioners in every tradition as well as those without a formal spiritual focus or path The author's Dharma training and wisdom together with her psychological phenomenological and sociological

perspectives are uniquely angled to illumine our most evident and our most hidden dilemmas and confusions as well as the gifts we bring to the path of awakening and to all our companions on the way Shamanic Journeys: An Anthology Michael Drake, 2022-05-22 This book is an anthology of shamanic journeys that I have taken over my 35 year exploration of shamanism the most ancient and most enduring spiritual tradition known to humanity Each inner journey has a unique story about what led up to the trance experience and what I learned from it They were powerful life changing events for me Journey work is therapeutic and liberating My trance experiences were healing insightful and empowering They often triggered the cathartic release of suppressed emotions producing feelings of peace and well being The process restores emotional health through expression and integration of emotions **The American Indian Mind in a Linear World**

Donald Fixico, 2013-07-04 Currently there are three approaches to studying American Indians from how white Americans approach Indian studies from the dynamics or exchange of Indian white relations and from the Indian point of view Donald Fixico an American Indian has been teaching and writing history for a quarter of a century This book is the direct result of his experience as a scholar who thinks like an Indian in an academic environment created predominantly by non Indian thinkers This book addresses current approaches to studying Native American traditional knowledge and acknowledges an Indian intellectualism that has up until now been ignored in studying Native American history Written primarily from inside the Native world but fully cognizant of the American cultures outside of that world his unique voice speaks to a need for understanding the interior Native world a world in which linear thinking is atypical and circularity is preferable Native Southerners Gregory D. Smithers, 2019-03-28 Long before the indigenous people of southeastern North America first encountered Europeans and Africans they established communities with clear social and political hierarchies and rich cultural traditions Award winning historian Gregory D Smithers brings this world to life in Native Southerners a sweeping narrative of American Indian history in the Southeast from the time before European colonialism to the Trail of Tears and beyond In the Native South as in much of North America storytelling is key to an understanding of origins and tradition and the stories of the indigenous people of the Southeast are central to Native Southerners Spanning territory reaching from modern day Louisiana and Arkansas to the Atlantic coast and from present day Tennessee and Kentucky through Florida this book gives voice to the lived history of such well known polities as the Cherokees Creeks Seminoles Chickasaws and Choctaws as well as smaller Native communities like the Nottoway Occaneechi Haliwa Saponi Catawba Biloxi Chitimacha Natchez Caddo and many others From the oral and cultural traditions of these Native peoples as well as the written archives of European colonists and their Native counterparts Smithers constructs a vibrant history of the societies cultures and peoples that made and remade the Native South in the centuries before the American Civil War What emerges is a complex picture of how Native Southerners understood themselves and their world a portrayal linking community and politics warfare and kinship migration adaptation and ecological stewardship and how this worldview shaped and was shaped by their

experience both before and after the arrival of Europeans As nuanced in detail as it is sweeping in scope the narrative Smithers constructs is a testament to the storytelling and the living history that have informed the identities of Native Southerners to our day Visions Eddie Ensley,2000 ACCOUNTS OF SPIRITUAL VISIONS **The Shamanic Drum** Michael Drake,2010-04-16 In response to the phenomenal resurgence of the drum nationwide Michael has completely revised and expanded the 1991 edition for all those folks discovering the power of drumming This useful book reveals profound teachings about shamanic drumming which is a time honored method of healing and helping others Trained as a ceremonial drummer in the Mongolian and Native American shamanic traditions Michael presents the first practical guide to applying this ancient healing art to our modern lives Through a series of simple exercises lessons and rituals he teaches you the basic shamanic methods of drumming The focus is on creating sacred space journeying power practice power animals geomancy drum therapy drum harmonics drum circle dynamics and the universal rhythmic phenomena that come into play whenever we drum The techniques are simple and powerful Whether you are an accomplished percussionist or a total beginner this user friendly book will help you harness the power of drumming **Shamanic Drumming** Michael Drake,2012-04-12 This useful book reveals profound teachings about shamanic drumming which is a time honored method of healing and helping others Rhythmist Drake presents the first practical guide to applying this ancient healing art to modern lives Creation Myths of the World David A. Leeming,2009-12-18 The most comprehensive resource available on creation myths from around the world their narratives themes motifs similarities and differences and what they reveal about their cultures of origin ABC CLIO s breakthrough reference work on creation beliefs from around the world returns in a richly updated and expanded new edition From the Garden of Eden to the female creators of Acoma Indians to the rival creators of the Basonge tribe in the Congo Creation Myths of the World An Encyclopedia Second Edition examines how different cultures explain the origins of their existence Expanded into two volumes the new edition of Creation Myths of the World begins with introductory essays on the five basic types of creation stories analyzing their nature and significance Following are over 200 creation myths each introduced with a brief discussion of its culture of origin At the core of the new edition is its enhanced focus on creation mythology as a global human phenomenon with greatly expanded coverage of recurring motifs comparative themes the influence of geography the social impact of myths and more **The American Indian Mind in a Linear World** Donald L. Fixico,2024-09-27 Now in its second edition The American Indian Mind in a Linear World examines the persistence of Native peoples in retaining their own worldviews from the pre Columbian era into the twenty first century The book explores the ways in which Indian people who are close to their cultural traditions think in a circular fashion understand by relying on visual analysis and make decisions from an Indigenous logic Yet Comanches have a different reality from Mohawks Apache ethos is not like that of the Lakotas and Indian men and women see things differently How and why is the Native mind different from the western world Why have white teachers and missionaries tried to change the minds of Native

students The Indian perspective is not wrong it is simply different and inclusive another way of looking at the world and universe This edition updates the discussion with a new chapter on contemporary American Indian intellectualism and further analysis of the preservation of Indigenous traditional knowledge Approachable and engaging this volume is a key resource for students and scholars of Native American and Indigenous studies and Indigenous history

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
