a fictional novel series Well according to the author Jam Crab there should be explanations due to the nature of the content Meaning the future world as contrived by the WiiPi organization in WM069 is constructed and designed in accordance to the evil sinister WiiPi plot of world domination Also the WM069 does not stay within the physical cultural and or logic of our modern day society Therefore the behavior of the WiiPi characters organizations government affiliations machines and contraptions to support this fictional story we needed to justified the absurdity of the stuff in the original WM069 manual Warning the whole WiiPi Leaks WL Series of books is a mix of ironic comedy political satire current events and ludicrous inventions which we learned of from the Jam Crab not his or her real name WiiPi Leaks It touches on some creepy topics So here s the warning and if these topics in the WL Series are offensive we apologize here in advance As mentioned the content is intended to be used solely for the purpose of entertainment and is meant as a comedic work for an adult audience In other words the authors would rather laugh than cry about corporate greed American politics our hap hazard lives and any other issues throughout the world Updates there will need to be revisions as the series grows so it s suggested the readers check for updated editions Note this WiiPi Leaks manual is free no graphic diagrams included and contains almost everything the reader needs to follow along with the story and the links to accompanying diagrams Who is Jam Crab Well we here at the Jam Crab Group JCG of channels simply interpret leaked messages from Jam Crab JC our WiiPi informant We have never met JC In fact he or she is believed to be on the run from the evil clutches of WiiPi So we just wish JC well and hope he or she keeps the leaks coming in The JCG intends to take all the possible measures to deter WiiPi from implementing their devious scheme
