Whitney Portal California's famed John Muir Trail JMT is one of the most popular backpacking routes in the US. It passes through some of the most dramatic scenery in the country: massive granite peaks, dizzying waterfalls, pristine alpine lakes, and vibrant meadows filled with Sierra wildflowers. Plus, it offers the mildest, sunniest climate of any major mountain range in the world. The John Muir Trail South to North Edition contains the information you need for hiking or backpacking the route. The comprehensive guide describes the entire passage with detailed directions, as well as UTM coordinates for important junctions, lateral trails, campsites, food storage boxes, and other points of interest. The book divides the trail into 13 sections, and each section includes an elevation profile and a table that lists elevation, distance from the previous point, and total mileage. Inside, you'll find a detailed description of the entire trail from an expert author, trail junction locations and distances between junctions, a comprehensive table of campsites, 17 topographic maps plus elevation profiles, side trips to 15 notable peaks, pre-trip planning information about food, resupplies, gear, permits, and more. Whether you're hiking the entire JMT or just sections of it, you'll find expert start-to-finish advice in the updated edition of this guidebook.
