Will the Real Jesus Please Stand Up? Matthew Richard (Rev. Dr.), 2017 In our culture of personalization where everything is customizable Jesus is often reworked into what each individual wants Him to be Jesus is aligned to a person's agendas and dreams making it easier for him or her to agree with Him

Will the Real Jesus Please Stand Up! Robert McClelland, 2014-10-28 In a world where the God hypothesis is no longer necessary today's Church may offer skeptical Seekers a Jesus Story that no longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Today's world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that God's attitude is toward us While the Good News proposed by Christian Faith is that God's attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Paul's understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of today's Seeker Jesus not only died for our sins he died for God's Sin as well Our Sin was our disobedience God's Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christ's life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by today's Church Paul sees God's Grace as much more amazing than mere payment for our peccadilloes

Will the Real Jesus Please Stand Up? William Lane Craig, John Dominic Crossan, William F. Buckley (Jr.), 1998 Based on a debate between John Dominic Crossan codirector of the Jesus Seminar and evangelical William Lane Craig with responses from experts in Jesus studies

Why People Stop Believing Paul Chamberlain, 2018-01-12 This book addresses a growing need in apologetic literature It is a response to the growing wave of Christian leaders who are rejecting Christianity and becoming some of its most ardent critics often supported by a plethora of new organizations arising to encourage such people to cut ties to their faith This is a new challenge from a different breed of critics who are using their instant credibility and insider's knowledge of theology the Bible church history even apologetics to debunk the faith they once believed and promoted They have taken aim at the foundations of Christianity including God the Scriptures miracles and the supernatural and Christianity's perceived inherent prohibition on free enquiry Readers will be introduced to arguments against Christianity by these critics which they claim compelled them to leave followed by responses that use examples questions and nontechnical language to make the

reasoning accessible Every issue addressed has been raised by a former Christian leader and special attention has been paid to their precise formulations The book makes the case that however convincing the critics arguments may appear at first glance further analysis reveals them to be weaker than they appear and in many cases entirely unpersuasive *Connecting Christ* Paul Louis Metzger,2012-05-07 We live in a multifaith society an ever growing diverse cultural climate where no religion is viewed as having a monopoly on truth It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life s most important conversations *Connecting Christ* encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions skills that are crucial in defending against today s negative connotations and ineffective approaches associated with Christian evangelism With extensive commentary from leaders of various walks of faith and life from Judaism to Islam and Buddhism to atheism theologian and author Dr Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ Filled with practical guidance and insight into controversial topics such as hell fascism and homosexuality *Connecting Christ* reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon compassionate God revealed in Jesus Christ the Savior this world is dying to know *Understanding the Koran* Mateen Ellass,2009-08-19 Find out how the Koran resembles the Bible and the drastic ways in which it differs *Understanding the Koran* gives you an essential grasp of Islam s holy book where it came from what it teaches how Muslims view it and how the Allah of the Koran compares with the God of the Bible Cherished as the final perfect revelation of God s will by 1 2 billion Muslims worldwide the Koran has become a part of American life What do you know about the holy book that shapes the lives and views of your neighbors and a fifth of the world s population Written by a pastor who was born to a Muslim father and raised in Saudi Arabia *Understanding the Koran* gives you a fascinating easy to understand overview that will show you Why the background behind the Koran is important to understanding it How the Koran came into existence A summary of the main teachings of the Koran including what it says about Jesus and the crucifixion Similarities and differences between Muslim and Christian views of God What the Koran teaches about Jihad and holy war What the Koran teaches about heaven and hell and the final destinies of the human soul Giving you an essential grasp of Islam s holy book *Understanding the Koran* points you to the one thing that can draw your Muslim friends to Jesus his love demonstrated to them through you Discussion questions make it possible to use this book in group studies *Christianity in Crisis* Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to

do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas **Will the Real Jesus Please Stand Up?** Dennis

Ingolfslund,2014-04-01 There was once a TV show called To Tell the Truth It was a game show in which a panel of four celebrities was given the name and unusual occupation of one of three contestants After asking the contestants questions and voting for their choice the host would ask Will the real please stand up Considering all the different views of Jesus presented in books magazines and movies today the author asks Will the real Jesus please stand up *Will the Real Me Please Stand Up!* Lee Ezell,1995 Lee Ezell s humorous and lighthearted approach to developing personal creativity Christian freedom and true individuality will help you discover the valuable inner womn who was made to be a reflection of God s love *Meeting Jesus Again for the First Time* Marcus J. Borg,2009-03-17 Of the many recent books on the historical Jesus none has explored what the latest biblical scholarship means for personal faith Now in Meeting Jesus Again for the First Time Marcus J Borg speaks to those who want a fully contemporary faith a faith that that welcomes rather than rejects our critical intelligence and that is also open to new historical and scholarly research Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ one that is critical and at the same time sustaining Drawing on his own journey from a naive unquestioning belief in Christ to a more mature and contemporary Christian faith Borg illustrates how an understanding of the historical Jesus can actually lead to a more authentic Christian life one not rooted in creeds or dogma but full of spiritual challenge compassion and community Marcus J Borg author of bestseller Heart of Christianity is Hundere Distinguished Professor of Religion and Culture at Oregon State University and author of the bestselling Meeting Jesus Again for the First Time Reading the Bible Again for the First Time The God We Never Knew and coauthor of Jesus A New Vision with N T Wright He was an active member of the Jesus Seminar when it focused on the historical Jesus and he has been chair of the Historical Jesus section of the Society of Biblical Literature For many contemporary Christians Biblical scholarship is seen as

the enemy of faith In a personal and highly readable account Marcus Borg shows how Christians can explore contemporary scholarship as a way toward a far more dynamic and meaningful faith Rosemary Radford Ruether author of *Gaia and God*
