Will You Join The Cause Of Global Missions

Will You Join The Cause Of Global Missions:

Will You Join the Cause of Global Missions? David Alan Black, 2012-02-02 Everyone is called to be a missionary and that call comes at the same time as the call to follow Jesus. The church in America has come to depend on professionals to do ministry. In many churches the pastor paid to do the job is the one who is expected to carry out all functions of the church. But it was not always this way. Jesus came as God in the flesh. The pattern portrayed in the New Testament is that every Christian is part of the body of Christ and the function of Christ's body is to be incarnational to be Jesus Christ for the world. John 20:21. Author David Alan Black takes on this attitude of outsourcing our mission in his shortest book yet one he has said might be the most important that he has written. Will You Join the Cause of Global Missions. If you expect here a call to go to seminary and become a professional missionary you will be sorely disappointed. Instead Dave calls for us to replace outsourcing with insourcing. Instead of looking for professionals to do the ministry while the rest of us fill the pews he is pointing us back to the Gospel Commission and the call on every Christian life to fulfill that Commission. It is not enough in the 21st century to put a little bit of money into the church and expect the pastor and paid staff to do the work. Each one of us is called to also give of our time and talents. This little book might be dangerous. You may not be able to put it down without seeing your life radically changed. In fact the book ends with a call to make precisely that promise. So will you join the cause of global missions. Biblical Missions Thomas Nelson, 2025-02-25

David Alan Black, 2016-09-21 What is the church? What does it look like? What should it look like? For answers to these questions David Alan Black looks to the first century church and our founding documents in the New Testament. What were the characteristics of a Christian assembly in the first century? In his study he finds seven things that defined the church then: Evangelistic Preaching, Christian Baptism, Apostolic Teaching, Genuine Relationships, Christ Centered Gatherings, Fervent Prayer, and Sacrificial Living. Dr. Black believes each of these things should characterize our twenty first century churches as well. And that is the challenge. How can we apply these principles in our own lives and church congregations? This brief book won't answer all your questions. What it will do is point you toward the right way to find the answers. Ultimately Dave Black

believes that the more we understand the Scriptures the more we understand our responsibility to submit our lives and our futures to its radical teachings This is the challenge Will you answer it **The Third Way** Chris Surber,2017-10-27 It s difficult to be a pilgrim in a consumer world A pilgrim is someone who looks more toward the destination than his present place A consumer sets up shop as he secures more to consume and invests his time resources and energy into guaranteeing there will always be more to consume In Luke 17 33 Jesus says If you cling to your life you will lose it and if you let your life go you will save it Finding our pilgrim path is the focus of this book to prepare the reader for the mission team they have chosen to be a part of Come along with Pastor Chris **Getting into the Text** Daniel L. Akin,Thomas W.

building power is seen in each book in its time and context and continues to be at work today Commentary notes exploring kingdom themes throughout every book of the Bible Sidebars highlighting 14 Kingdom Values throughout Scripture Sidebars exploring six Kingdom Foundations found throughout Scripture More than 20 theological articles exploring key themes of kingdom living Cross references Line matched two column typesetting Clear and readable NKJV Comfort Print **Global Mission Handbook** Steve Hoke,Bill Taylor,2012-04-25 Veteran mission professionals Steve Hoke and Bill Taylor offer a practical guide for preparing for intercultural missions They provide resources for personal spiritual preparation as well as crosscultural skills and hands on missionary training New Wineskins for Global Mission: Sharon J. Stockdale,Helen Camlin,1996-06-01 New Wineskins for Global Mission captures the essence of a groundbreaking conference in 1994 where Episcopalians from all over the United States gathered to embrace their role in global missions Filled with powerful testimonies and a passionate call to action this book reveals the urgent need to invite unreached people groups to the Lord's Table The conference's impact was profound leading participants to engage in prayer generous giving and active involvement in missions Now this collection of plenary speeches and workshops serves as a valuable resource equipping churches and individuals with tools to fulfill the Great Commission and share the gospel in a changing world **Global Mission** Rose Dowsett,2011-06-27 Reflections and Case Studies in Contextualization for the Whole Church Global Mission is divided into two sections the first Reflections and Foundations comprises nine essays of a more general nature the second Contextualization at Work contains twenty one essays of a more specific nature most of them case studies from a particular location and people group The thirty three contributors come from five continents and a host of contexts Some are veterans some quite young but every one of them is passionate about God's mission and about building bridges for the gospel in a way that is absolutely faithful to Scripture but also sensitive to specific contexts North and South East and West demonstrate precious unity in Christ in our common calling Contextualization is complex and none of the authors claim to have got everything right But their essays are thoughtful and written out of love for God and love for his world They tell the stories of trial and error of struggles and triumphs as each seeks to present Christ in terms that make sense and can be understood It is following the process quite as much as specific conclusions which make this book valuable and transferable to many other parts of the global church The essays also give us a peep into many different societies and the birthing of faith in the grace of the Holy Spirit Thus we give thanks to God for all that he is wonderfully doing around his world and stimulate our prayers for those who work cross culturally especially in pioneer situations Not all contributors agree on every point especially when it comes to the difficulties of mission in the Muslim world and increasingly amongst Hindus There has been no attempt to standardize different approaches letting a robust conversation develop Each chapter ends with some suggested study questions useful for personal reflection or group or class discussion The book is deliberately accessible to lay people but stimulating to career missionaries and academics **Introduction to Global Missions** Zane Pratt,M. David Sills,Jeff K.

Walters,2014-07-01 Missions is the work of the church to reach and teach the peoples of the world for Christ s sake The missionary call is a vital part of the life of every follower of Jesus Christ and therefore the church But the effective discipleship of all nations requires a solid biblical historical and practical foundation Therefore the study of missiology demands the effective application of biblical studies theology and history This text brings the rich heritage of evangelical missiology founded on conservative theology to a twenty first century audience passionate for the proclamation of the gospel Introduction to Global Missions brings the authors decades of combined missionary and teaching experience to a survey text appropriate for college or seminary classroom The book is divided into four sections and thirteen chapters The text begins with the biblical and theological foundations of Christian missions including a biblical theology of missions Before moving to the practical and strategic issues of twenty first century missions the authors consider the historical development of missions with a view toward providing a basis for contemporary strategies A final foundational set of chapters addresses the impact of cultures on the communication of the gospel The remainder of the text deals with key issues and opportunities in missions including church planting missions in the local church and strategies for disciple making Introduction to Global Missions provides a foundation for readers to consider their own missionary call whether as a full time field missionary or a church member on short term projects No matter their role Great Commission Christians need a framework for doing missions well
