Markos, 1994 William Carlos Williams optimism a counter current to prevailing twentieth century pessimism was more than a matter of temperament It was grounded in American transcendentalism and English romanticism but expressed in a semi opaque modernist style disjunctive imagistic symbolic and both suave and colloquial Williams optimism along with his outgoing contact with people and things was an essential ingredient of the visionary idealism that was nurtured by Emerson Whitman the English romantics and other sources Ideas in

Things establishes that Williams worldview is grounded in these sources Coleridge Keats Gerard Manley Hopkins Whitman and especially Emerson and describes the organic idealist assumptions that underlie Williams poetry Williams vision of organic unity undercuts the alienating dualism that has prevailed since Descartes and the scientific revolution of the sixteenth and seventeenth centuries In Williams view mind and nature though distinct are interrelated because both have their source in a common ground the ultimate and living source of all things This vision of the world as charged with the grandeur of God or of some value that escapes scientific and common sense scrutiny drove him to tireless experimentation with language and form His aim was to defamiliarize conventional language in order to reveal novel and unexpected qualities in things and even to discover the permanent universal in the common and ordinary Williams used free verse and visual prosody exact diction word play onomatopoeia and especially metaphor and symbolism to subvert both scientific and stock responses to the world His cubistic broken style freed his imagination by revealing the object or experience in quick eccentric flashes For Williams the all important imagination besides defamiliarizing the familiar in order to rediscover the universal was also a productive power the counterpart in the human level of the generative forces of nature An authentic product of the imagination was not merely a copy of reality but a new object in itself Ideas in Things shows that Williams objectivism drew on Aristotle s conception of imitation a true literary work had its own unique and necessary organization like an organism through which it represented the universal in human affairs To demonstrate how Williams revised in order to create poems that were well made objects distinct from traditional verse forms as well as from casual free verse Donald W Markos examines several poems in progress from rough draft to published poem These discussions will prove illuminating to critic and scholar as well as to the practicing poet *Arts & Humanities Citation Index* ,1987 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals

Aging Moderns Scott Herring,2022-12-13 What happens when the avant garde grows old Examining a group of writers and artists who continued the modernist experiment into later life Scott Herring reveals how their radical artistic principles set out a new path for creative aging Aging Moderns provides portraits of writers and artists who sought out or employed unconventional methods and collaborations up until the early twenty first century Herring finds Djuna Barnes performing the principles of high modernism not only in poetry but also in pharmacy orders and grocery lists In mystery novels featuring Gertrude Stein and Alice B Toklas along with modernist souvenir collections the gay writer Samuel Steward elaborated a queer theory of aging and challenged gay male ageism The Harlem Renaissance dancer Mabel Hampton dispelled stereotypes about aging through her queer of color performances at the Lesbian Herstory Archives Herring explores Ivan Albright s magic realist portraits of elders Tillie Olsen s writings on the aging female worker and the surrealistic works made by Charles Henri Ford and his caregiver Indra Bahadur Tamang at the Dakota apartment building in New York City

Showcasing previously unpublished experimental art and writing this deeply interdisciplinary book unites new modernist studies American studies disability studies and critical age studies Aging Moderns rethinks assumptions about literary creativity the depiction of old age and the boundaries of modernism **World Collectors Annuary** ,1982
