Willow Weep For Me A Black Womans Journey Through Depression:

Willow Weep for Me Nana-Ama Danquah,2023-10-03 The first book to focus on Black women and depression through the author's absorbing and inspirational Washington Post personal journey When Nana Ama Danquah a twenty two year old single mother began to suffer from a variety of depressive symptoms after giving birth to her daughter she thought she was going crazy Determined to portray strength in a world that often undervalues Black women's lives she shrouded her debilitating despair in silence and denial But when she befriends other Black women who suffer with depression she finds the support she needs to confront the traumatic childhood events that lie beneath her grief Twenty five years after its initial publication as best selling author Andrew Solomon writes in an illuminating foreword *Willow Weep for Me* remains a brave book but at the time of its writing it was humbly audacious Also including an afterword from the author this groundbreaking classic is a powerful meditation on courage and a litany for survival An important and moving memoir Danquah describes beautifully her experiences with depression Kay Redfield Jamison author of *An Unquiet Mind* *Willow Weep for Me* Meri Nana-Ama Danquah,1998-02 **Willow Weep for Me** Meri Nana-Ama Danquah,2009 Ebony,1999-05 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **The Disability Studies Reader** Lennard J. Davis,2006 The second edition of *The Disability Studies Reader* builds and improves upon the classic first edition which has sold well over 6000 copies since 1999 As a field disability studies burst onto the scene across the social sciences and humanities in the 1990s and the first edition of the reader gathered the best work that had been written on the subject including essays by famous authors such as Susan Sontag and Erving Goffman The new edition is more global in its coverage and adds material on genetic testing the human genome queer studies and issues in developing countries The size of the audience has grown since the first edition's publication and the second edition's new material will make it even more useful for courses on the subject Courses on the subject have mushroomed in the past ten years and can now be found across the social sciences humanities and behavioral sciences *A Companion to Critical and Cultural Theory* Imre Szeman,Sarah Blacker,Justin Sully,2017-07-07 This Companion addresses the contemporary transformation of critical and cultural theory with special emphasis on the way debates in the field have changed in recent decades Features original essays from an international team of cultural theorists which offer fresh and compelling perspectives and sketch out exciting new areas of theoretical inquiry Thoughtfully organized into two sections lineages and problematics that facilitate its use both by students new to the field and advanced scholars and researchers Explains key schools and movements clearly and succinctly situating them in relation to broader developments in culture society and politics Tackles issues that have shaped and energized the field since the Second World War with discussion of familiar and under theorized topics related to living and laboring being and knowing and agency and belonging Manic-Depressive Illness Frederick K. Goodwin,Kay Redfield Jamison,2007-03-22

This long awaited second edition of Manic Depressive Illness will exhaustively review the biological and genetic literature that has dominated the field in recent years and incorporate cutting edge research conducted since publication of the first edition Drs Frederick Goodwin and Kay Redfield Jamison have updated their surveys of psychological and epidemiological evidence as well as that pertaining to diagnostic issues course and outcome and they offer practical guidelines for differential diagnosis and clinical management This book will be a valuable addition to the libraries of psychiatrists and other physicians psychologists clinical social workers neuroscientists pharmacologists and the patients and families who live with manic depressive illness

Mind Fixers Anne Harrington, 2019-04-16 Superb a nuanced account of biological psychiatry Richard J McNally In Mind Fixers the preeminent historian of neuroscience Science magazine Anne Harrington explores psychiatry's repeatedly frustrated efforts to understand mental disorder She shows that psychiatry's waxing and waning theories have been shaped not just by developments in the clinic and lab but also by a surprising range of social factors Mind Fixers recounts the past and present struggle to make mental illness a biological problem in order to lay the groundwork for creating a better future

The Long Night Jessica Kantrowitz, 2020-05-19 You've done what you can you've seen your doctor made an appointment with a therapist picked up the prescription for the antidepressant and swallowed that first strange pill But it can take four to eight weeks for the meds to start to work and it might take two or more tries before you and your doctor find the ones that work best for you When you're in the midst of terrible depression those weeks can feel like an eternity You just want to feel better now This book is for those who are in the long night of waiting It does not promise healing or deliverance it is not a guide to praying away the depression It is simply an attempt to sit next to you in the dark while you wait for the light to emerge Drawing on the wisdom of spiritual figures from the past and present including Henri Nouwen Thomas Merton Barbara Brown Taylor Bunmi Laditan and many others The Long Night is a comforting and inspirational companion for anyone in the midst of depression Writer editor and minister Jessica Kantrowitz has been where you are As a mentor and friend she will walk with you on this journey toward life and light

Blue Rachel Louise Moran, 2024-10-08 A powerful look at the changing cultural understanding of postpartum depression in America New motherhood is often seen as a joyful moment in a woman's life for some women it is also their lowest moment For much of the twentieth century popular and medical voices blamed women who had emotional and mental distress after childbirth for their own suffering By the end of the century though women with postpartum mental illnesses sought to take charge of this narrative In Blue A History of Postpartum Depression in America Rachel Louise Moran explores the history of the naming and mainstreaming of postpartum depression Coalitions of maverick psychiatrists psychologists and women who themselves had survived substantial postpartum distress fought to legitimize and normalize women's experiences They argued that postpartum depression is an objective and real illness and fought to avoid it being politicized alongside other fraught medical and political battles over women's health Based on insightful oral histories and in depth archival research Blue reveals a

secret history of American motherhood women's political activism and the rise of postpartum depression advocacy amid an often censorious conservative culture By breaking new ground with the first book length history of postpartum mental illness in the twentieth century Moran brings mothers battles with postpartum depression out of the shadows and into the light

Black Madness : Therí Alyce Pickens,2019-06-07 In *Black Madness Mad Blackness* Ther Alyce Pickens rethinks the relationship between Blackness and disability unsettling the common theorization that they are mutually constitutive Pickens shows how Black speculative and science fiction authors such as Octavia Butler Nalo Hopkinson and Tananarive Due craft new worlds that reimagine the intersection of Blackness and madness These creative writer theorists formulate new parameters for thinking through Blackness and madness Pickens considers Butler's *Fledgling* as an archive of Black madness that demonstrates how race and ability shape subjectivity while constructing the building blocks for antiracist and anti ableist futures She examines how Hopkinson's *Midnight Robber* theorizes mad Blackness and how Due's *African Immortals* series contests dominant definitions of the human The theorizations of race and disability that emerge from these works Pickens demonstrates challenge the paradigms of subjectivity that white supremacy and ableism enforce thereby pointing to the potential for new forms of radical politics

Having It All? Veronica Chambers,2004-01-13 A behind the scenes look into the lives of successful middle and upper middle class African American women the groundbreaking *HAVING IT ALL* is sure to spark discussions from cocktail parties to boardrooms In a single generation black women have made extraordinary strides academically professionally and financially They've entered the workplace at a far greater rate than white women increased their enrollment in law schools and graduate programs by 120 per cent and many are now running top companies or in some cases the country Isn't that enough Not necessarily With sharp insight award winning journalist Veronica Chambers explores the challenges and stereotypes she and other African American women continue to endure and answers the question most often posed to her What does success mean for black women Twenty first century black women draw their inspiration from a wide range of sources Claire Huxtable to Audrey Hepburn snowboarding to basketball Gloria Steinem to bell hooks They choose what they like Yet they are misunderstood by mainstream America and lack an accurate portrayal in the media of their lives *HAVING IT ALL* interweaves the thoughts and reflections of more than fifty women who occupy this territory The voices range from Thelma Golden chief curator of The Studio Museum in Harlem to a Silicon Valley executive to medical and legal professionals and stay at home mocha moms Successful black women today want it all marriage motherhood engaging work and prosperity The difference is that they come to the table with the strength courage and wisdom of black women ancestors who did it all even when they didn't have it all What has gone so undocumented by the media is that modern black women are coming up with creative satisfying answers to the juggling act that all women face Veronica Chambers chronicles this topic for the first time in her absorbing riveting and groundbreaking book *HAVING IT ALL*
