Commission Reclaiming History is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi s irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense *Notes and Queries* ,1861 *The National Union Catalog, Pre-1956 Imprints* Library of Congress,American Library Association.
