To Be Continued Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued Second Edition* maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime, novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others. *Sequels* Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series. *American Historical Fiction* Lynda G. Adamson, 1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers. *American Historical Fiction R* contains over 3 000 titles set in states and historical regions of the United States. Entries are organized by time period. The newest titles as well as old favorites are covered. The volume is indexed by author, title, genre, subject, and geographic setting. **Forthcoming Books** Rose Army, 1996-06 **The Papers Of Thaddeus Stevens Volume 2** Thaddeus Stevens, 1998-07-15 Thaddeus Stevens has been called the greatest dictator Congress ever had: a man who in 1867 held more political power than any man in the nation, including the president. In his day Stevens grappled with many of the issues that confront us today: racial and economic equality, affirmative action, and equal access to education. The second volume of a two volume edition covers Stevens's later years during the tumultuous period from the end of the Civil War to his death in 1868. It includes letters, speeches, and remarks Stevens delivered as he championed equal rights for the freedmen and steered key Reconstruction measures through Congress. This volume also contains letters from loyalists and ex Confederates to Stevens reflecting their reactions to conditions in the South. **American Book Publishing Record**, 1996 *Climatological Data, Texas* United States.
