that doesn t stop her from standing in Rock s way She intends to make his life better even when love can t be part of the project Can a blood bond to rescue each other withstand tragedy risks and the tests of time Promises were promises no matter what But the harder Jenn pushes the more Rock shoves back Even their dogs couldn t get along The Flynn s Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises **Love's Fiery Resolution** Yvonne Kohano,2016-06-08 Their arsonist could be one of their own unless he can prove his innocence Gideon Kinkead is a firefighter who cares about the burning wildland about his peers and about his family He protects his brother with the same ferocity he uses to fight the flames but his own past tragedy might be more than he can overcome When a hot sheriff s lieutenant demands evidence Gid doesn t want to resist He s ready and willing but not exactly able to provide more than a one night stand Protect and serve is what Danielle Trajan embraces because that s what law enforcement is all about She didn t rise through the ranks by being sweet and she isn t about to change for any man Only her twin sees through her defenses When her path crosses with a potential suspect who has already stolen her heart Dani will have to decide what s more important her black and white principles or the chance at love Red roses appear each time Gideon is on a fire and Dani suspects he knows more about these arsons than he s letting on He s a player but then so is she She might have to play him to learn what he knows Will getting too close result in scorching burns for both of them in real life and in love The Flynn s Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises **Love's Touch of Justice** Yvonne Kohano,2014-11-25 She was the one person who could convince him without pleading her case that he d been dead wrong Justice wasn t a sharp sword but a dull blade and sometimes it did more damage than good as it sliced through to the truth Sheriff s Deputy Jake Kermarrec has a strict interpretation of right and wrong and if you end up in jail justice obviously prevailed Being a cop is what he knows and the only thing he aspires to When he s a hero and his career is at risk he turns to Marlee Cruiz for relief Their physical attraction becomes harder to ignore with each session of massage despite the rules and secrets between them The closer they become though the more difficult it is for either of them to turn away Marlee s past slowly unravels and Jake finds himself questioning his rigid beliefs even as his friends and family begin to question his judgment As shocking news multiplies he finds himself making bigger excuses on her behalf When it counts will he put his commitment to protect and serve on the line for Marlee The Flynn s Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises **Measure Twice, Love Once** Yvonne Kohano,2015-04-21 Fortune smiles upon the brave and frowns upon the coward For Geno Altimari the old Latin proverb proved to be true One pivotal night and a denied

entreaty changed everything It cost him years of friendship and missed opportunity for a life that might have been his destiny simply because he was afraid Love was never the same Burying his caution under a laid back smile made it easier to hide his regrets When karma offers him a second chance he wants to be the man everyone believes he is His personal apprehension is harder to conquer But Agnes Amendola needs him and her daughter longs for something special to make her life complete something in Geno s power to provide Can he overcome his anxiety over his past mistakes As their teacher said in first grade Altimari and Amendola sound destined to be together Maybe this time fortune will smile upon them The Flynn s Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises **Love's Fiery Prescription** Yvonne Kohano,2016-06-05 Love is the remedy to cure old secrets Noah Kinkead is a devoted single dad a committed emergency room doctor and a man with threats in his past His dedication to duty may be the reason his wildland firefighting brother was injured as explosive arsons burn through their county When a chance meeting with a redhead sends up sparks of a different sort Noah wonders if he ever wants to treat the hot fevers that result Nicolle Trajan understands loyalty and having her firefighter colleagues backs even if no one had hers when it counted As threats become more deadly than wind fanned flames in the Sierra treetops time is running short for her to investigate these fires and identify the person responsible The protective extremes of her sheriff s lieutenant twin make that procedure even harder but Nici has a job to do Too bad she can t keep her mind on it when the sexy doctor crosses her path Noah knew something was missing in his life but it took lip syncing old rock and roll to remind him complications can be worth the risk Nici appreciates the tunes but she might not be ready to dance to the music Revealing secrets the kind that are deadly will be the cure they need to be together Are they willing to take this risky prescription for a chance at the healing power of love The Flynn s Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises *Pictures of Redemption* Yvonne Kohano,2012-09-28 Redemption comes at a price In a peaceful northern California foothills town Serena Williamson works tirelessly to provide military vets with counseling and support Even after funding cuts and with only months left for the services to survive Serena is determined to continue assisting those in need eliminating programs isn t an option She discovers however that sometimes redemption comes at a high price In this case it s helping a mysterious hermit based on the requirements of an equally mysterious donor That loner acts like a veteran but she can t find him in any database Dane Ashland doesn t want to be helped Haunted by tragic memories and internal demons and with his secrets hiding in plain sight he knows he is better off alone Keeping his past to himself Dane builds a physical fortress he hopes will block out the rest of the world But with his internal pain already evident to people in Flynn s Crossing Serena steps in hammer in hand and before long he is relying on her in ways he never thought possible and for far

more than work on his house Dane worries she won t stay once she finds out about the past he so desperately wants to hide But only Serena can offer him the redemption he needs to reclaim his life Now he must try to overcome his self loathing in order to help her save a future that could help so many others Length 83 000 words The Flynn s Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises
