Winged Warrior Gods Pamela McConnell:

The Winged Warrior of the Gods Pamela McConnell, 2013-09 It has been many generations since the Pegasus herd had been destroyed. There were still a few descendants left but none had manifested any of the special qualities of the original such as the wings or magical gifts. Until the birth of a young colt. The Winged Warrior of the Gods depicts the expeditions of the new Pegasus. Raised in seclusion, the young Pegasus is groomed by his father and the spirit of his ancestor, the original Pegasus. He is being prepared to conquer the evil Bardama who is spreading darkness across the world. On his first mission searching for Bardama, Pegasus discovers a very young frail girl. The Child Princess knows nothing of the world beyond stories told by the sailors from visiting ships. Caseama cries out to the gods for a champion to be sent to conquer the dark forces that have taken her parents into captivity. Young Pegasus has come to answer her prayer by commission of the gods. After the transformation bestowed upon her by Athena, Caseama is transformed into a hoyden warrior given the courage of her mother's Amazon ancestors. Though her prayers were answered, she is surprised to find that she was to become the hero she so fervently prayed for. *The Winged Warrior of the Gods* Pamela McConnell, 2015-11-25 It has been many generations since the Pegasus herd had been destroyed.
