Learner and

Teacher Autonomy Terry Lamb, Hayo Reinders, 2008 This edited volume offers a cohesive account of recent developments across the world in the field of learner and teacher autonomy in languages education Drawing on the work of eminent researchers of language learning and teaching it explores at both conceptual and practical levels issues related to current pedagogical developments in a wide range of contexts Global shifts have led to an increase in autonomous and independent learning both in policy and practice including self access and distance learning The book's scope and focus will therefore be beneficial to language teachers as well as to students and researchers in applied linguistics and those involved in pre and in service teacher education The book concludes with an overview of the state of research in this field focusing on the inter relationships between the concepts of learner and teacher autonomy Episode 4 What's Happenng? , **"Only the Super-Rich Can Save Us!"** Ralph Nader, 2011-01-04 In the cozy den of the large but modest house in Omaha where he has lived since he started on his first billion Warren Buffett watched the horrors of Hurricane Katrina unfold on television in early September 2005 On the fourth day he beheld in disbelief the paralysis of local state and federal authorities unable to commence basic operations of rescue and sustenance not just in New Orleans but in towns and villages all along the Gulf Coast He knew exactly what he had to do So begins the vivid fictional account by political activist and bestselling author Ralph Nader that answers the question What if What if a cadre of superrich individuals tried to become a driving force in America to organize and institutionalize the interests of the citizens of this troubled nation What if some of America's most powerful individuals decided it was time to fix our government and return the power to the people What if they focused their power on unionizing Wal Mart What if a national political party were formed with the sole purpose of advancing clean elections What if these seventeen superrich individuals decided to galvanize a movement for alternative forms of energy that will effectively clean up the environment What if together they took on corporate goliaths and Congress to provide the necessities of life and advance the solutions so long left on the shelf by an avaricious oligarchy What could happen This extraordinary story written by the author who knows the most about citizen action returns us to the literature of American social movements to Edward Bellamy to Upton Sinclair to John Steinbeck to Stephen Crane reminding us in the process that changing the body politic of America starts with imagination **New Interchange Video Teacher's Guide 1** Jack C. Richards, Charles Sandy, 1997-12-13 New Interchange is a multi level series for adult and young adult learners of English from the beginning to the high intermediate level The Video Teacher's Guide offers guidance on using the video and contains transcripts of the sequences which may be photocopied for student use *The Little Book of the 1960s* Dee Gordon, 2011-11-30 Based on quirky facts and fascinating data with a discerning eye on the bizarre the frivolous and the funny The Little Book of the 1960s is nostalgia with a difference The sights the sounds the lifestyle the whole 1960s experience can be relived through the pages of this book but be warned you'll need a sense of humour It's a book that can be dipped in to time and time again to reveal something new about the people the fashions the scandals and the enduring

fascination of a decade that was truly the most colourful of all Did You Know When the Beatles played at the Birkenhead YMCA in 1962 for just 30 the same year Decca famously turned them down because groups with guitars were on their way out they were booed off stage When Barbara Windsor and the cast of Sparrers Can t Sing were filming in the East End in the early 1960s the Krays were hired to provide security on the set When Princess Margaret married photographer Antony Armstrong Jones in May 1960 she became the first royal to marry a commoner for 450 years
