The Reality of His Fictions Maura Megahey,2009 **Dialect Notes** ,1928 **Ireland and France, a Bountiful Friendship** Barbara Hayley,Christopher Murray,1992 Ireland and France A Bountiful Friendship Literature History and Ideas is a collection of essays looking at Irish matters in a new and exciting way Accepting the historical significance of France as a catalyst for Irish genius and a fertile field for missionaries wild geese and assorted Irish expatriates the book explores compatibilities and contrasts between the Irish and the French Has French republicanism come to life again in the IRA Are Paisley and Le Pen mirror images of each other or of national impulses If Irish intellectual history is imbricated with the Enlightenment and the counter reformation how do we read Edmund Burke If Irish writers from Wilde to Beckett seem equally at home in French and in English perhaps this suggests the value of tracing the footsteps of others Charles Maturin John Banim James Stephens Denis Devlin and Derek Mahon whose work in varying ways draws upon and mediates French influence On the other hand a French perspective on things Irish as in several essays included here provides new insights and assessments new versions of understanding The inspiring presence of this book is the late Patrick Rafroidi whose study of Irish romanticism has become a standard work and who has proven himself among the best French commentators on Irish culture in recent times **The British National Bibliography** Arthur James Wells,2005 *Irish University Review* ,1984 A journal of Irish studies **Studies in Short Fiction** ,1972 The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries
