survivors and practical wisdom this book leads women to discover the life of wholeness God has for them *Healing of the Heart Workbook* Marc Swift, Mary Lemmond, Joshua David Swift, 2015-05-08 BE HEALED from the destructive early life shaping patterns of child abuse Based on the real life story of the journey taken by Josh this healing workbook is designed to set you free from the hold of the pain and the shame and empower you to live an abundant life Follow the steps which changed Josh's life of self hatred and depression to a life of joy peace and love You will smile and say Life is GOOD **I Painted the Light** Jeanne Grimes, 2013-05-02 When I was five years old I painted the Light I painted the happy space I went to while being sexually abused by my father When the abuse would start two adorable cherubs would appear and take me by the hands Off we would go into the Light We would fly about and tumble laugh and be filled with joy It was a glorious fun and safe place to be The Light saved me So when I was given the chance to create my first ever painting in kindergarten I naturally wanted to paint this beautiful glowing space I painted the Light I covered every square inch of my flip chart paper with bright yellow paint I was so happy to recreate this space and share it with my dad But my joy was short lived once I actually unrolled my painting at home and explained my bright yellow space to my father His violent reaction became one more incident that further buried the memories of the abuse I tell my story here to help those of you who have also been sexually abused I went beyond the counseling and cognitive therapies and found other spiritual and experiential techniques that brought me to a place of peace and wholeness These practices helped heal my mind my body and my spirit I offer my experiences here so that you may apply them to your own healing journey My goal is to help you see the Light within you to find the peace within you as I have finally found in me May Divine Love be with us on our journey Transformed by Trouble Marsha Jenice Stayton, 2013-06-19 Workbook included Marsha takes you back to her early life where she encountered childhood abuse As a result she was faced with low self esteem anxiety identity issues and numerous failed relationships In her Christian walk she questioned God about why He allowed this to happen to her as a child In her adult life she connects her mental and emotional distress to her childhood abuse and gets a better comprehension of her purpose in life As Marsha strives to get closer to God and to find her own identity she enlightens society on the cause and effects of child sexual abuse and some of the struggles of the Christian life My Hero Pamela J Heil, 2019-10 My Hero is a tale of survival It paints an ugly picture of my journey through childhood sexual abuse Shortly after my father was killed serving his country my mother married a predator I was less than one year old Not long after my mother was confined to a state mental hospital My brothers and I were left alone with our deranged stepfather for the next three years and the horror of our secret life began It took me years to realize how much the abuse had distorted my view of reality and affected everything about my life who I dated who I married how much education I wanted and how I would feel about myself My soul had been shattered like the glass in a picture window How could it ever be put back together The included workbook will lead you gently and practically to a place of safety where you can meet my hero Jesus He will replace lies with truth unmet needs with fulfillment
