Jeffrey L. Rinek,Marilee Strong,2018-07-17 The voice that narrates In the Name of the Children An FBI Agent's Relentless Pursuit of the Nation's Worst Predators which Rinek wrote with the journalist Marilee Strong sounds warm and humane qualities missing from much crime writing Their book is a professional job filled with illuminating details about the day to day operations of the bureau New York Times Book Review

FBI Special Agent Jeff Rinek had a gift for getting child predators to confess All he had to do was share a piece of his soul In the Name of the Children gives an unflinching look at what it s like to fight a never ending battle against an enemy far more insidious than terrorists the predators lurking amongst us who seek to harm our children During his 30 year career with the FBI Jeff Rinek worked hundreds of investigations involving crimes against children from stranger abduction to serial homicide to ritualized sexual abuse Those who do this kind of work are required to plumb the depths of human depravity to see things no one should ever have to see and once seen can never forget There is no more important or more brutal job in law enforcement and few have been more successful than Rinek at solving these sort of cases Most famously Rinek got Cary Stayner to confess to all four of the killings known as the Yosemite Park Murders an accomplishment made more extraordinary by the fact that the FBI nearly pinned the crimes on the wrong suspects Rinek s recounting of the confession and what he learned about Stayner provides perhaps the most revelatory look ever inside the psyche of a serial killer and a privileged glimpse into the art of interrogation In the Name of the Children takes readers into the trenches of real time investigations where every second counts and any wrong decision or overlooked fact can have tragic repercussions Rinek offers an insider s perspective of the actual case agents and street detectives who are the boots on the ground in this war at home By placing us inside the heart and mind of a rigorously honest and remarkably self reflective investigator we will see with our own eyes what it takes and what it costs to try to keep our children safe and to bring to justice those who prey on society s most vulnerable victims With each chapter dedicated to a real case he worked In the Name of the Children also explores the evolution of Rinek as a Special Agent whose unorthodox empathy based approach to interviewing suspects made him extraordinarily successful in obtaining confessions and the toll it took to have such intimate contact with child molesters and murderers Beyond exploring the devastating impact of these unthinkable crimes on the victims and their families this book offers an unprecedented look at how investigators and their loved ones cope while living in the specter of so much suffering

In their quest to find out if there really is such a thing as normal, we engage a host of colorful characters where we experience everything from pheromone parties and skinny dipping to finally getting a peek into the mysterious actions of the Secret Nudist Club. In this highly humorous adventure that is amazingly revealing and constantly surprising, Angel, her sisters, and even the reader may begin to wonder if there really is such a thing as normal. Maybe we're all just a little insane.
