You Can Do This Digital Marketing Essentials For Distributors:

You Can Do This! Susan M. Merlo, Jon C. Dupree, Brent R. Grover, 2015-02-25 Wholesale distribution companies will find themselves at a serious disadvantage if they don't have the correct digital marketing essentials in place. In today's market of instant gratification and instant delivery of information, if you cannot provide the information that your customer needs or answers to questions that a prospect is asking, expect to find yourself left in the dust. Whether someone is looking to purchase your product or would like to learn more about your company or perhaps they need some industry specific information that doesn't relate directly to your product or your company, the leading distributors will be those who can anticipate what their ideal customers need sometimes before that customer knows it himself and give it to them. Whatever it is, the distributors who understand their customers' problems and needs and can resolve them without being salesy will be the distributors who will lead the pack. For many distributors, a powerful digital marketing strategy is already a driver of revenue. As more millennials enter the workforce, there's no question that that number of distributors who harness the power of the internet will grow. Over the next five years, it's safe to assume that the choices you make for your company regarding its digital marketing strategy will not only impact your revenue but also your recruiting efforts, your internal communication efforts, and perhaps even affect your ability to raise financial equity when necessary. The challenge to meet therefore is not just to have a digital marketing strategy in place but rather to have the right strategy in place for your company and the ability to execute that strategy effectively and efficiently. If you are a wholesale distribution business owner or executive who understands the importance of marketing on the internet today and all we've mentioned above, then this book is for you. If you understand that traditional marketing methods are less effective and more expensive and you know that by neglecting to use the internet to market your business, that you're missing out on the powerful business results that an effective marketing strategy can give you, then this book is for you. Whether your distribution business is just getting started with digital or online marketing or you're interested in brushing up on the basics, this book will guide you as you set up and implement a successful internet marketing strategy and educate you about the key essentials you'll need to stay ahead of the pack. This book takes you through an in-depth review of digital marketing essentials for distribution companies. You'll learn which marketing essentials will have your company better positioned as an industry leader, building stronger bonds with your customers and prospects, increasing your sales and generating substantially more leads. You'll learn too that your company can use digital marketing to create new relationships with prospects and turn them into customers and that digital marketing will give you the ability to strengthen and grow relationships you already have with existing customers. Our goal for you in sharing this information is to see you succeed and get you more sustainable revenue for your company. This is not a how-to guide but rather a what-to-do guide. We do not advocate your doing your marketing yourself. You'll come to understand in reading this book that marketing is complicated and vital to your company's future. It should be handled by experts. Knowing what to expect from your

marketing team however is why you need this book Digital Marketing Essentials RWG Publishing,2024-06-28 Digital Marketing Essentials by RWG Publishing is your ultimate guide to mastering the art of digital marketing In an era where traditional marketing methods are rapidly becoming obsolete this book serves as a comprehensive resource for business owners and marketers looking to navigate the dynamic landscape of digital marketing From understanding the basics to implementing advanced strategies this book covers it all Discover how digital marketing acts as a direct communication channel with potential consumers enabling businesses to effectively showcase their products and services Learn about essential tools like email marketing and social media which most people interact with daily and how these tools can be leveraged to create cost effective precise and result driven marketing campaigns This book addresses common challenges faced by business owners such as the overwhelming number of digital marketing service providers and the lack of a concrete strategy With practical tips and expert insights Digital Marketing Essentials empowers you to develop professional level digital marketing plans that drive success and build customer loyalty Whether you re a seasoned marketer or a business owner new to the digital realm this book is your key to unlocking the full potential of digital marketing *Digital Marketing* Dave Chaffey,Fiona Ellis-Chadwick,2019-02-05 Now in its seventh edition Digital Marketing provides comprehensive practical guidance on how companies can get the most out of digital media and technology to meet their marketing goals

The Insider's Guide to Independent Film Distribution Stacey Parks, 2012-11-12. Innovation in technology means that almost anyone can make an independent film these days. Although this may be good news for aspiring filmmakers, it also means that the oversupply of independent films on the market has caused acquisition prices to dramatically decrease. As a result, producers and investors rarely recover their initial investment in the films they make. But don't be discouraged. Use this book to learn the realities of the market in advance and map out a winning distribution plan. This comprehensive manual for filmmakers and producers dedicated to film distribution and the marketplace could mean the difference between getting your film out to the public and keeping it in the can. Learn how to sell your movie to a studio, a cable network, a video distributor, or an international buyer. Self distribution and other alternatives to traditional distribution are also considered. In addition, you'll hear some success stories from producers and hear exactly what buyers are seeking. Stacey Parks has worked with hundreds of hungry filmmakers to get their films a distribution deal and knows how frustrating the whole process can be. Let her show you how you can take control of your filmmaking career and start getting your work seen by audiences with a few little known distribution secrets. Features include: Interviews and case studies with producers and distributors; Ten ways to market your film for self distribution; Sales projections per territory; Distribution resources listings; Negotiation tips for distribution agreements; Sample distribution agreements; What you must know to get your independent film distributed. Written by a distributor who knows the process inside and out; Interviews with buyers and acquisitions executives from every sector of the business on what kinds of films they look for, what they're sick of seeing, and how their acquisitions processes work; Website features sample distribution agreements, budgets, and more. New to this edition: Completely updated for modern distribution practices: broadcast, DVD, VOD, and other kinds of distribution deals; New coverage on crowd funding, social media, film marketing, and deal memos. Get the best inside distribution secrets from brand new interviews with an international cast of directors, producers, and distribution experts who share their experiences. Companion website features helpful downloadable forms and templates, sample distribution memos, and a great resource section.
