Black British Gospel Music Dulcie A. Dixon McKenzie, Pauline E.

Muir, Monique M. Ingalls, 2024-06-04 Black British Gospel Music is a dynamic and multifaceted musical practice a diasporic river rooted in the experiences of Black British Christian communities This book examines gospel music in Britain in both historical and contemporary perspectives demonstrating the importance of this this vital genre to scholars across disciplines Drawing on a plurality of voices the book examines the diverse streams that contribute to and flow out of this significant genre Gospel can be heard resonating within a diverse array of Christian worship spaces as a form of community music making in school halls and as a foundation for secular British popular music including R B hip hop and grime The Spirit of Praise Monique M. Ingalls, Amos Yong, 2015-06-18 In The Spirit of Praise Monique Ingalls and Amos Yong bring together a multidisciplinary scholarly exploration of music and worship in global pentecostal charismatic Christianity at the beginning of the twenty first century The Spirit of Praise contends that gaining a full understanding of this influential religious movement requires close listening to its songs and careful attention to its patterns of worship The essays in this volume place ethnomusicological theological historical and sociological perspectives into dialogue By engaging with these disciplines and exploring themes of interconnection interface and identity within musical and ritual practices the essays illuminate larger social processes such as globalization sacralization and secularization as well as the role of religion in social and cultural change Aside from the editors the contributors are Peter Althouse Will Boone Mark Evans Ryan R Gladwin Birgitta J Johnson Jean Ngoya Kidula Miranda Klaver Andrew Mall Kimberly Jenkins Marshall Andrew M McCoy Martijn Oosterbaan Dave Perkins Wen Reagan Tanya Riches Michael Webb and Michael Wilkinson *Continuum Encyclopedia of Popular Music of the World Volume 8* John Shepherd, David Horn, 2012-03-08 See **Last Call for the African-American Church** Chester Williams, 2014-12-24 Last Call for the African American Church revisits the commandment Jesus left his followers to proclaim the gospel worldwide until his return one that by all accounts is no longer a priority in the contemporary African American church Despite the presence of euphoric praise and worship celebrations and the proliferation of diverse ministries it advertises as cutting edge the implosion of missions has occurred in this church s pulpits and pews Selected biblical foundations of missions are provided for those new to the parlance and for others needing a refresher course Along with conventional missions distinctions Chester Williams logs some concepts in the glossary he himself has constructed for readers and for collegial review They include the feminization of missions rummage sale missions missions without Jesus and window dressing missions For the most part these concepts represent a radical departure from apostolic missions and are viewed as biblical tinkering and convoluted most importantly as obstructions to the Great Commission world harvesting Worship Across the Racial Divide Gerardo Marti, 2017-12-15 Many scholars and church leaders believe that music and worship style are essential in stimulating diversity in congregations Gerardo Marti draws on interviews with more than 170 congregational leaders and parishioners as well as his experiences participating in worship services in a wide variety of Protestant multiracial Southern Californian churches to present this insightful study of the role of music in creating

congregational diversity Worship across the Racial Divide offers a surprising conclusion that there is no single style of worship or music that determines the likelihood of achieving a multiracial church Far more important are the complex of practices of the worshipping community in the production and absorption of music Multiracial churches successfully diversify by stimulating unobtrusive means of interracial and interethnic relations in fact preparation for music apart from worship gatherings proves to be just as important as its performance during services Marti shows that aside from and even in spite of the varying beliefs of attendees and church leaders diversity happens because music and worship create practical spaces where cross racial bonds are formed This groundbreaking book sheds light on how race affects worship in multiracial churches It will allow a new understanding of the dynamics of such churches and provide crucial aid to church leaders for avoiding the pitfalls that inadvertently widen the racial divide **Worship as Community Drama** Pierre Hegy, 2019-03-22 Church weddings funerals and most Sunday services reflect the values and dramas of their communities even when the ministers are the main or sole actors This point is illustrated by examples ranging from American television masses to the Zairean three hour services in the Congo Of greatest interest to readers might be the Sunday services at ordinary parishes which also range from friendly but uninspiring to innovative and inviting There are also two exceptionally vital churches analyzed here an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr Today one can hardly buy an item in a store or on the Internet without being asked for an evaluation yet church services are seldom evaluated There can be no improvement without evaluation This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth The prophet Elijah found God in earthquakes and fire but most people find mystery through art music rhythm chanting expressive readings evocative rituals and enlightened homilies Today people expect mystagogy rather than routine performances Mystagogy can be learned and improved through evaluation to which this book desires to make a major contribution **Billboard** , 2000-07-29 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
