How to Build Your Network and Make it Work For You Vol 1. Chozen ,Nikki Mcknight,Makeba Giles,Darlene Burns,Lucien Beaubrun ,2Luvly ,Precious Owens "Ms. P" ,Erica Burton,Leandrea Hill ,Phoenixstar9,ReVivian Freeman,2014-10-31 This e book is a collection of interviews and tips from several successful business professionals in various fields Featuring Chozen of Icebreakerradio Nikki Mcknight Makeba Giles of MELISAsource Author Darlene Burns Lucien Beaubrun of SecureTheWin and Learn The Industry 2Luvly of Luvlybeatz and LuvlyMedia Precious Owens Ms P of Sabuni and The N Tuned Show Whole Health Coach Erica Burton Leandrea Hill ReVivian Freeman of 2 Team Entertainment Agency Management **After the Interview in Community Oral History** Nancy MacKay,Mary Kay Quinlan,Barbara W Sommer,2013-02-28 Community projects often falter after the interviews are completed This final book of the five volume Community Oral History Toolkit explains the importance of processing and archiving oral histories and takes the reader through all the steps required for good archiving and for concluding the oral history project so that it is preserved and accessible for future generations The authors give special attention to record keeping systems and repositories and provide several examples from actual projects to ground the information in practical terms Charts checklists and sample forms also help the reader apply concepts to practice Volume 5 finishes with examples of creative ways community projects have used oral histories such as performances exhibitions celebrations websites and more in order to promote history and engage the

community

The Hawaiian Kingdom—Volume 1 Ralph S. Kuykendall, 2021-05-25 The colorful history of the Hawaiian Islands since their discovery in 1778 by the great British navigator Captain James Cook falls naturally into three periods During the first Hawaii was a monarchy ruled by native kings and queens Then came the perilous transition period when new leaders after failing to secure annexation to the United States set up a miniature republic The third period began in 1898 when Hawaii by annexation became American territory The Hawaiian Kingdom by Ralph S Kuykendall is the detailed story of the island monarchy In the first volume Foundation and Transformation the author gives a brief sketch of old Hawaii before the coming of the Europeans based on the known and accepted accounts of this early period He then shows how the arrival of sea rovers traders soldiers of fortune whalers scoundrels missionaries and statesmen transformed the native kingdom and how the foundations of modern Hawaii were laid In the second volume Twenty Critical Years the author deals with the middle period of the kingdom's history when Hawaii was trying to insure her independence while world powers maneuvered for dominance in the Pacific It was an important period with distinct and well marked characteristics but the noteworthy changes and advances which occurred have received less attention from students of history than they deserve Much of the material is taken from manuscript sources and appears in print for the first time in the second volume The third and final volume of this distinguished trilogy The Kalakaua Dynasty covers the colorful reign of King Kalakaua the Merry Monarch and the brief and tragic rule of his successor Queen Liliuokalani This volume is enlivened by such controversial personages as Claus Spreckels Walter Murray Gibson and Celso Caesar Moreno Through it runs the thread of the reciprocity treaty with the United States its stimulating effect upon the island economy and the far reaching consequences of immigration from the Orient to supply plantation labor The trilogy closes with the events leading to the downfall of the Hawaiian monarchy and the establishment of the Provisional Government in 1893
