In the Midst of Radicalism Guadalupe San Miguel, 2022-01-13 The Chicano Movement of the 1960s and 70s like so much of the period s politics is best known for its radicalism militancy distrust of mainstream institutions demands for rapid change Less understood yet no less significant in its aims actions and impact was the movement s moderate elements In the Midst of Radicalism presents the first full account of these more mainstream liberal activists those who rejected the politics of protest and worked within the system to promote social change for the Mexican American
