Wild Awakening Wild Awakening:

Wild Awakening Dzogchen Ponlop, 2003-12-16 Mahamudra and Dzogchen are perhaps the most profound teachings within all of Tibetan Buddhism. The experience of Mahamudra or great symbol is an overwhelming sense of extraordinary clarity, totally open and nondualistic. Dzogchen or great perfection is the ultimate teaching according to the Nyingma tradition and also represents the pinnacle of spiritual development. These are the two paths that provide practitioners with the most skillful means to experience the fully awakened state and directly taste the reality of our mind and environment. And yet these concepts are notoriously difficult to grasp and challenging to explain. In *Wild Awakening*, Tibetan Buddhist master Dzogchen Ponlop Rinpoche presents these esoteric teachings in a style that reveals their surprising simplicity and great practical value, emphasizing that we can all experience our world more directly with responsibility, freedom, and confidence. With a straightforward approach and informal style, he presents these essential teachings in a way that even those very new to Tibetan Buddhism can understand.

Wild Awakening Greg J. Matthews, James Lund, 2020-09-08 In this powerful story about the healing every man needs, John Eldredge, New York Times bestselling author, a near fatal attack by an enraged grizzly bear leads to an unexpected encounter with God. For alpha male Greg Matthews, Greg Matthews was the ultimate poster boy for masculinity. Avid hunter and outdoorsman, Air Force and civilian firefighter, EMT, rescue helicopter pilot, fugitive recovery agent, Ground Zero volunteer, and more, Greg had spent his whole life striving to serve others, but for all the wrong reasons. After his parents' divorce when he was young, Greg believed deep down that the only way he could be loved and valued by his father, by his family, and by God was if he earned it through daring, high stakes, high risk, what society commonly refers to as manly achievements. But everything changed when an idyllic hunting trip through the backwoods of Alaska turned into a harrowing fight for his life. Greg was attacked by a grizzly bear, but the gruesome, nearly fatal conflict offered an unexpected encounter with God. Greg's eyes, and more importantly, his heart, were finally opened to the lie that he had internalized as a child: that his dangerously high risk achievements were the sole signifiers of his worth. The road to recovery was long and painful, but it forced Greg to come face to face with the long-held view of manhood he had absorbed as his own identity. The relentless grizzly uncovered something in Greg's heart that he was being pursued by an equally persistent God who loved him unconditionally. A gripping tale of survival and a rebuttal to outdated notions about masculinity, *Wild Awakening* will help you lead a life of greater purpose.
