*Wild Florida Adventures* Doug Alderson, 2014-03-22 With a naturalist's keen eye and the sense of adventure of an explorer Doug Alderson reveals a compelling glimpse of Florida. Wild Florida Adventures proves that there's so much more to the Sunshine State than condos and theme parks. Conor Mihel, editor at large Canoe Kayak Magazine. Only consummate Florida outdoor writer Doug Alderson could have penned such a delightful and practical guide to exploring the state's natural wonders. Jennifer Portman, Tallahassee Democrat senior writer. I've had a great time traipsing around the Florida rivers and trails with Doug Alderson and as a Florida native I learn something new every trip. I'm very excited about this book so I can help unlock the secret places Doug knows about and I haven't been. Bryan Desloge, President Florida Association of Counties. On land or water Florida is a wild playground because of its incredible beauty, diversity and vast stretches of public lands. In *Wild Florida Adventures* author and photographer Doug Alderson will inspire you to pick up a paddle or lace up the hiking boots and start exploring the Sunshine State. From kayaking the length of the Florida Keys to searching for record-sized trees in a huge swamp to meeting the famous naked man of the Santa Fe River this complementary sequel to *Wild Florida Waters* takes readers into Florida's unique places. A couple of favorite rivers such as the Suwannee and Wekiva are revisited with a different twist and land adventures include a journey through the botanical wonderland of Torreya State Park, an exploration of a wild cave near Marianna and a frigid campout in the Osceola National Forest with former Florida senator and governor Lawton Chiles. One out-of-state adventure trying to tackle the mighty Mississippi River by canoe has been added because it reveals the shortcomings of planning a long distance trip a thousand miles away in Florida. The results are disastrous and funny. Useful how-to information at the end of each chapter helps people plan their own adventures.

*Discovering Florida's Coast* Doug Alderson, 2023-03-15 Everyone knows the beaches of Florida are a top spot for locals and tourists alike but many natives or visitors might not know the intricacies of Florida's coast. Broken down into roughly 12 parts the entire coast of Florida and the Keys offer beachgoers a unique experience in any part of the state. In *Discovering Florida's Coast* Doug Alderson, popular Florida writer and successful Pineapple Press author delves into what makes each section of the state's coast different. From the emerald waters of Pensacola to the man-made islands and amazing skyline of Miami's Biscayne Bay readers interested in visiting different parts of the state's beaches will not only see beautiful photos of the natural scenery but also learn key facts about the areas.
