

A close-up photograph of laboratory glassware. In the foreground, a test tube is partially filled with a vibrant blue liquid. To its left, another test tube is visible, also containing blue liquid. In the background, a graduated cylinder is partially filled with the same blue liquid. A glass dropper is positioned above the test tube in the foreground, with a single drop of blue liquid hanging from its tip, about to fall into the tube. The background is dark and out of focus, emphasizing the glassware and the blue liquid.
