

WILLIAM MORRIS

ARTS & CRAFTS DESIGNS

A leader in the styles and politics of his time, William Morris viewed his patterns as both an art form and a means of social commentary. In response to the industrial designs and manufacturing of the Machine Age, he and his counterparts at Morris & Co.—some of whose designs are also featured in this calendar—created wallpapers and fabrics that boasted natural floral motifs and handmade craftsmanship. Their work and ideology inspired many of the artists around them, ushering in the Arts and Crafts movement. The intricate botanical patterns of their designs, 12 of which are detailed here, invite you to enjoy a moment of quiet contemplation in an otherwise busy day.
