The Long and Winding Road Lionel B. Harris, 2013-10-25 According to biblical doctrine God first created people in the universe with a hierarchy of holy angels with the highest order being identified as cherubim One of them who was anointed and perhaps the most elitist cherub amongst them knew he was created beautiful and perfect in his ways Alternately with pride and arrogance at the forefront that same being became the supreme architect and advocate for sin evil and untold suffering Henceforth the diabolical Satan was loosed upon the world Tragically from time to time beauty is in the fabled beast Handsome man and beautiful women may be pleasing to the eyes and their good looks may even grant them unearned favor but their inner nature is a virtual mystery They might be evil incarnated Meanwhile the not so attractive individuals are oftentimes ignored and generally devalued all dependent upon the beholder But possibly the inner core of that select person could render him or her almost angelic like

Lifes long and winding road is lined with so called beautiful and so called unattractive people However through faith and God's grace and not the naked eye the lonely traveler may be able to distinguish which is which And that'll make lifes journey worthwhile All too often a young man fathers a child and assumes that that in itself validates his manhood Initially as a new dad he might even feel that all is right with the new world and his future looms bright In many cases its a heartfelt euphoria that defies description However when the novelty wears off and reality returns a rather lengthy journey commences To the mothers credit and merit she usually accompanies her offspring on lifes long and winding road but far too frequently the once proud father falters or completely vanishes along the way Arguably so its serious and impactuous tragedy for the mother the absentee father the child and sometimes the world at large The good news is this

however One size fits all meager gloomy or dire it might be does not necessarily dictate their impending future Through their own resilience paired with a burning desire to overcome their childhoods deficiencies they alternately walk a pathway less hazardous And sometimes when sincere loved ones step forward it renders lifes journey well worthwhile and almost superlative And thats a road well worth embarking upon **Survivor's Journey** Meadow Fields,2025-03-09 Meadow Fields spent her childhood with despicable men As a girl she felt lost used and dirty and she wrote this book to help others who have felt the same way Growing up she was told she did not matter and when she reported sexual abuse she was called a liar As a result she s struggled to trust anyone While she s made lots of headway flashbacks have been with her all her life and the only way she s been able to continue is with the help of Jesus Christ In this book she strives to provide hope and encourage others by drawing on lessons from Scripture to inspire victims She emphasizes that every day you wake up is a day of purpose and that your life has value While we may not always understand why we re facing certain struggles or how things will work out God will always make a way Join the author as she shares how her faith and courage allowed her to overcome trauma **Silent Agony** Carl E. Prichard,2007-02-01 Allow me to make some introductions My name is Carl
