Overcoming Cynicism Megan Mustain, 2011-01-13 Combating the notion of a healthy cynicism *Overcoming Cynicism* demonstrates that the cynic engages not in genuine critique but rather in a denial of the possibility of fruitful change Mustain first uses two historical versions of cynicism ancient Greek and Victorian to describe competing currents within the cynical attitude She brings this historical discussion to bear upon two contemporary sources of cynicism Christian fundamentalism and scientism and offers an alternative path which seeks to confront the real problems we encounter in our experiences of relations relations without either explaining those problems away or making them fundamental *Until Shiloh Comes* Cy Mersereau, 2017-08-02 It is incredible that the first promise of a coming Messiah came not to our first parents Adam and Eve but to the serpent who had so deceitfully engineered their downfall Genesis 3 15 records that God s promised Seed of the woman was destined to defeat the seed of the serpent which anticipated the gospel of the Lord Jesus Christ This is known as the first good news or proto evangel um whose blessed promise became the focal point of the entire Old Testament Threading its way through Abraham and his descendants this promise came to rest on his great grandson Judah and remained there for all succeeding generations finding fruition in the first coming of the Messiah indicated by the words of Genesis 49 10 until Shiloh comes Throughout history Bible scholars have largely agreed that Shiloh which means peace references the first coming of the Lord Jesus Christ the Prince of Peace the Lion of the tribe of Judah The Old Testament is the foundational document for all that follows in the New Testament and should never be relegated to inferior status These older scriptures were given for our admonition and should be esteemed and appreciated in the same manner as the New Testament writings until Shiloh comes the second time From Daniel to Doomsday John Hagee, 2000-05-07 John Hagee says The world as we know it will end neither with a bang nor a whimper but in stages clearly set forth in God s Word His latest and most provocative book takes a cue from a cultural icon the ticking clock Hagee presents a prophetic Doomsday Clock and counts down the minutes through prophetic events which must occur before that fateful moment when every unredeemed individual must face God on Judgment Day Citing examples from national and international media and using Scripture to confirm his insights he presents a compelling argument to prove that time is indeed running out
