Heartstrings Lily Graison,2019-02-14 Life as a mail order bride has turned out to be everything Grace Samuels thought it would be but after 13 years her dreams of being a mother are still not fulfilled When she finds a homeless girl living behind the mercantile in town her motherly instincts kick into high gear but the girl has a secret that take Grace and Rafe by surprise a secret that will either tear them apart or give them both their hearts desire *Angels Dance on the Head of a Pin* GlenScott Thomas Copper,2022-12-02 The empty Sky Room was an oval Victorian greenhouse restaurant atop Chicago s about to be destroyed 17 story Majestic Hotel It was a penthouse covering three fourths of the roof which was surrounded by a safety parapet about three feet high capped with glazed tile the green color of oxidized bronze I expected that Willie would be waiting to leap out at me from behind one of the abandoned fake plants All I heard over the storm was the murmuring of pigeons hiding in the chimney from the rain I stood in the center of the room figuring Willie must have secreted herself in her trench coat and hat against one of the ebony oak pilasters along the edge of the room I waited for lightning to give away her position It did I saw her outside the glass walls through rivulets of rain as sheet lightning illuminated the clouds over the lake silhouetting Willie perched atop the parapet wall on the far corner of the building like some sort of gargoyle The tails of her trench coat were flapping in the gale rising from Quincy Street Her rain hat was gone and her drenched black curls were writhing on each side of her face I ran to the door she d left open and stepped toward her She crouched like a swimmer on a starting block staring at the bottom of the pool stories below a very dark pool A flashing traffic light jaundiced her face like some wild Hitchcock effect She didn t look at me but down toward the blinking amber light I stopped dead in my tracks not sure what to do She was perched only a few feet from where I stood If I startled her she could fall I looked for a gentle way to get her attention The low thunder from the sheet lightning over Lake Michigan growled in our faces Suddenly a shock wave of light and heat like a nuclear blast erupted as lightning struck the boom of the demolition derrick A gust of hot firey dragon breath belched from the crane Willie bolted straight up but she lost her footing on the parapet s wet glazed cap As she did I leapt from the doorway and was able to catch hold of the tail of her trench coat just as her butt hit the edge and slipped over the side I had the trench coat and the trench coat had Willie but only by her arms I was in a tug of war where both sides would win or both sides would lose Without thought I collected all the material from her coat that I could and twisted it by ducking and pirouetting behind the parapet This wrapped the makeshift hawser around my left forearm for a more secure

grip I peered over the parapet where I could see the top of Willie's head with her arms raised up above her like Count Dracula about to turn into a bat and take flight Cross your arms I shouted but there was no response

Dance of the Deadmen Hap Wilson, 2019 Self-styled arctic outdoorsman John Hornby had already compromised his abilities to survive in the tundra through several incidents of near starvation and by injuries suffered as a soldier in World War I He had openly admitted to peers that he had had enough of the north and wished he had never come Yet foolishly he conscripted his young cousin nineteen-year-old Edgar Christian and a willing third party twenty-nine-year-old Harold Adlard both having no survival training or outdoor experience to join him on an adventure into the most isolated part of the Canadian northland the Thelon River in the Northwest Territories This is a story about the tragic Hornby expedition of 1926 One of Canada's most legendary stories the reader embarks on a journey as if they were there with Hornby and his two charges Wilson adds dialogue to the events that unfold using excerpts from Edgar's surviving diary Not sparing any detail the author applies his own vast knowledge of winter survival to events that led the three to disaster in a land that shows no mercy to the ill-prepared Wilson bravely delves into the psychology of men in isolation when deprived of hope but not of love
