Maura has never felt so alone in her life nor has her existence ever been so overshadowed by peril Not only do both her parents her distant but loving mother and recently returned father remain absent from her life but due to the hideous error in judgement executed in collusion with her best friend Valdamir and adoptive sister Susie Maura has been cut off from the pair's friendship and support forbidden by both her father and the fallout from the dire outcome to see either of them The heartbreak she suffers brought on by the weight of these estrangements is only intensified by the continued mysterious absence of her supernaturally destined mate Ron whose disappearance delivers grave consequences Maura would have never dreamed possible Despised by her vampire cousin Aldiva for reasons Maura cannot yet comprehend the young changeling will be forced to guard her back with every step as she comes to realize this member of her vampire family would love nothing more than to bring about her demise Aldiva's wrath calls forth other members from both Vancouver covens forcing them to rush to Maura's aid even though her father their king has expressly forbidden the other vampires to initiate contact with his daughter Will her extended family on Vancouver Island obey abandoning Maura to her doom or will they instead rebel against Maxwell's wishes in order to save her life In addition to the menace personified in her unsolicited enemy the unlikely vampire princess will find herself drowning as she is pulled down into the depths of a far more devastating crisis one which may condemn her to a fate she considers much more undesirable than death But in order to tear herself free from the deadly pull which is drawing her under Maura must enlist the help of her preternatural family exposing her newfound friends to a danger none of them have ever had the misfortune to face before Can she be saved or will the riptide drag Maura under along with those she loves the most In this third and final book of The Maura DeLuca Trilogy the reader will delve even deeper into the secrets guarded by Maura's father the mystery of Ron's role in her life and the identities of the mysterious Vancouver Island Coven members who have up until now remained hidden in the shadows This trilogy rounds out the segment of Maura's life during which she discovers she is a member of The Born a human destined to complete her transformation into a vampire This series of young adult fantasy novels has been enjoyed by readers of nearly every age and are found by them to be dramatically different from any other vampire books they have read in the past
