**Winks and Daggers** Thomas Hauser, 2012-01-01 Thomas Hauser's annual collections have been avidly anticipated from the time *A Beautiful Sickness* was published by the University of Arkansas Press in 2001 until his most recent collection *Boxing Is* was named a 2010 Best Sports Book of the Year by Booklist which has called Hauser the current champ in boxing literature. Sportswriter Donald McRae recently wrote Thomas Hauser has become boxing's indispensable writer with a stream of books and internet columns that strip away the layers of intrigue to reveal a seamy but addictive world. Whether writing Muhammad Ali's biography or shredding boxing's power brokers Hauser instills passion and gravitas into his work. *Winks and Daggers* continues that tradition with Hauser's writing from 2010. Hauser brings readers into Manny Pacquiao's intimate circle in the moments before last year's two biggest fights. His award-winning investigative journalism exposes the inner workings of HBO Sports and examines the use of performance enhancing drugs in boxing. There's a look back in time at Rocky Marciano and Sugar Ray Leonard. And there's much more in this latest collection in the series that has become, according to reviewer Bart Barry, an essential part of boxing's official record and the chronicles of this era most likely to endure.

**The Field Guide to Sports Metaphors** Josh Chetwynd, 2016 A gift-worthy playbook of common and unexpected words and idioms that have their roots in sports and games. There are many metaphors we can quickly identify from the realm of sports covering all the bases: baseball game plan, football and par for the course, golf. But the English language is also peppered with the not-so-obvious influence of sports and games such as go to guy, basketball, and dead ringer horse racing. Filled with pithy entries on each idiom plus quotes showing how big talkers from President Obama to rapper Ice T use them, this quirky little handbook from former minor league ballplayer and award-winning journalist Josh Chetwynd is sure to be a conversation starter at tailgates, cocktail parties, and in the boardroom.

When Thomas Hauser was selected for induction into the International Boxing Hall of Fame in 2019 his relationship with Muhammad Ali was widely cited But Ali was just one of the many fighters who have shared momentous times with Hauser For decades elite fighters like Evander Holyfield Manny Pacquiao Roy Jones Jr Bernard Hopkins Ricky Hatton Kelly Pavlik Sergio Martinez Jermain Taylor Miguel Cotto Gennady Golovkin and Canelo Alvarez have welcomed him into their dressing rooms to record their journeys on fight night Gathering and updating more than thirty essays from Hauser's critically acclaimed yearly collections *In the Inner Sanctum* celebrates these most dramatic hours in boxers' lives In each account

His health failing his most important work all but done Charles Dickens is readying himself for the final bed But there is still one more story that he must tell As a young journalist just getting his start Dickens encountered a story that would affect him for the rest of his life As his Sketches by Boz column is just beginning to find acclaim young Dickens encounters the wealthy and powerful Charles Wingate While researching the mysterious businessman Dickens uncovers a horrific story of corruption and violence centered on a mutilated prostitute and the murder of her lover Dickens's investigation could wreak havoc on Wingate and more importantly his beautiful wife Amanda Dickens already betrothed to his publisher's daughter realizes just how loveless his future marriage will be as he falls in love with Amanda even as his story threatens to ruin the Wingates The Final Recollections of Charles Dickens blends a historically accurate telling of Dickens's life with a gripping portrait of betrayal murder obsession and love It's the story of Dickens's deflowering and coming of age caught between the worlds of England's ruling elite and the seamy underside of London society In this experience we witness the seeds being sown for what will become Dickens's most popular and revered novels and the social philosophies rich versus poor behind them Meticulously researched and masterfully told The Final Recollections of Charles Dickens captures the voice of the beloved author the divided city of London and the uncertain tenor of the times
