

LAWN MOWER SAFETY

What items you will need...

- ☐ Operator's Manual
- ☐ Appropriate Clothing (sturdy shoes, long pants, & work gloves)
- ☐ Safety Glasses

Important information...

Always:

- Read your operator's manual before using your mower and refer to it whenever you have a question.
- Dress appropriately when you mow your lawn. Wear sturdy work shoes and long pants when mowing. Never wear sandals or open-toed shoes. Work gloves and safety glasses are recommended.

Things to consider...

Whether you have just purchased your first mower or you have been mowing your lawn for years, safety should always be top of mind. Review these safety tips to avoid situations that could result in injury to you or your family.

Steps...

- 1** Before you mow, walk through your yard and pick up any items such as sticks, stones, debris and toys. Mowing over items can damage your mower blade and result in objects being thrown from the mower's discharge chute, which could cause injury.
- 2** Be certain that children and pets are not in the yard when you mow. Keep them inside the house and supervised so they don't unexpectedly come into the yard while you're mowing. Never allow a child to ride on a riding mower or walk along side even with the blades shut off. They may fall off and be seriously injured or interfere with safe operation of the mower. Be alert. Turn off the machine if a child enters the mowing area. In general, never allow a child under the age of 16 to operate a riding mower or under the age of 12 to operate a walk-behind mower.
