

YEARBOOK OF THE UNITED NATIONS

VOLUME 65

Yearbook United Nations 2011

M Walker

Yearbook United Nations 2011:

Yearbook of the United Nations 2011 , United Nations Juridical Yearbook 2011 United Nations,2013-03 Mandated by General Assembly resolution 1814 XVII of 18 December 1962 this book has been published on an annual basis since 1963 It contains documentary materials of a legal character concerning the United Nations and related intergovernmental organizations The present volume which is the forty ninth of the series covers activities undertaken in 2011 and contains information such as legislative texts and treaties a general review of the legal activities of the United Nations and related intergovernmental organizations a list of judgments advisory opinions and selected decisions rendered by international tribunals as well as a selected bibliography listing works and articles of a legal character relating to the work of the United Nations and related intergovernmental organizations

World Regional and Cultural Footprints and Environmental Sustainability Ebenezer O. Aka,2017-04-26 The book examines the issues of sustainability in general It addresses various socioeconomic determinants of ecological footprints in different world s nations regions and cultures Major socioeconomic determinants of ecological footprints are fleshed out using Comparative Model Analysis and rigorous Multiple Regression Analysis The study exposes the inequitable distribution of the world s ecological footprints and also heightens the concern about ecological imbalances and overshoots It explains how sustainable development can be promoted and achieved in regional national and local jurisdictions The study provides information that will likely help various governments and policy makers determine if a given nation region or culture is on a sustainable path It helps government leaders planners policy makers and even students of sustainability make a difference in mitigating the effects of various environmental stressors If this book makes people and policy makers in different countries regions and cultures think globally but act locally then the objectives are well served

The United Nations Disarmament Yearbook 2011 United Nations,2012-04 The Yearbook is a rich source of historical knowledge of developments trends and achievements of multilateral disarmament for more than 30 years In early Spring of each year Part I of the Yearbook is published containing an annual compilation of text and statistics of disarmament related resolutions and decisions of the General Assembly In early Fall Part II is published presenting the main topics of multilateral consideration during the year along with a convenient issues oriented timeline
