Yerman Salazar

Camilla Rothe

Yerman Salazar:

Día de Los Muertos Alicia Salazar, M Alicia Salazar Pino, 2021-08 *Día de los Muertos* is a special holiday to remember and celebrate loved ones. It is a Mexican tradition held to honor those who have died. Some people dress up and go to parades. Others sing, dance, and eat special food. Others decorate altars with flowers and make offerings. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways. American Gitanos in Mexico City David Lagunas, 2023-08-21 This book provides a detailed and comprehensive description of the Gitano community of Mexico City. The ethnographic study showcases the interplay between cultural reproduction, economic reproduction, and the Gitano non-Gitano opposition. The first part of the book discusses how the cultural identity of this community is reproduced based on migratory processes, social relations, and the dynamics of kinship and gender roles to understand the contradiction between value systems and practices in a patriarchal society. In the second part, emphasis is placed on the economic dynamism of this group in its interactions with the majority society in the context of informal economy and the group's articulation with space and mobility in the territory. The analysis problematizes territorial mobility and circulation regimes based on fieldwork carried out in the process of active participation with Gitano families selling textile clothes and accessories through the country. **California School Directory**, 1970 Billboard, 1942-08-08 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand. Content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. *D and B Million Dollar Directory*, 2011 *Entre yoris y guarijíos* Teresa Valdivia Dounce, 2007 *The American Bar*, 2003 *Encyclopedia of World Crime: S-Z, supplements*, 1989 Colección diplomática del Monasterio de Santa María de Palazuelos XI-XV Fernando Herrero Salas, 2015-05-13 El Monasterio de Palazuelos, situado a orillas del Pisuerga y cercano a Valladolid, representó ya desde la Edad Media un considerable papel en la historia, actuando de anfitrión durante las luchas nobiliarias poniéndose de parte de los monarcas castellanos de los que recibir a continuas recompensas. Pero tras una primera fase (1175-1274) de consolidación y crecimiento proveniente de donaciones reales y privadas y nuevas adquisiciones, le sigue una etapa de crisis cuando en 1275 empieza a mostrar cierta insuficiencia económica y demográfica y aunque en 1314 se muestra aún como centro político, la crisis se agrava a mediados del siglo XIV con las disputas dinásticas (1350-1367-1379) culminando a mediados del siglo XV cuando no sólo entra en una crisis de valores en parte debida al Cisma en el papado sino también económica cuando incapaz de dirigir la hacienda enajena la mayor parte de sus propiedades a cambio de juros y al problemático derecho a los diezmos de las tierras enajenadas (1444-1450). Y aunque logra mantener su entidad como monasterio, su decadencia es palpable como demuestran los documentos. *Colección diplomática del monasterio cisterciense de Valbuena de Duero, S. XI-XV* Fernando Herrero Salas, 2015-05-25 Junto a los otros monasterios vallisoletanos, el de Palazuelos, La Espina y el de Matallana, el de Valbuena de Duero compone

un cuadro ideal para un estudio comparado y complementario ya que los aspectos de carácter religioso sociológico y económico se lo pueden verse a plena luz abriendo el marco geográfico que desde el Monasterio de Palazuelos era necesario ampliar en unos 40 Kms tomando como epicentro el Monasterio de Palazuelos punto de partida especial de mi estudio Pero la importancia de las fuentes del Monasterio de Valbuena no le viene solo por estar cercano y compartir las mismas vicisitudes históricas que el de Palazuelos sino también porque la misma historia de la Reforma que dio lugar a que el vecino monasterio se convirtiera en Cabeza de la Orden Cisterciense del Reino de Castilla se retrotrae en sus comienzos a Valbuena de Duero Y la creación de estos 4 monasterios se inscribe dentro una línea dinámicamente coherente por parte de sus impulsores los reyes quienes pueden considerarse cofundadores de estos cenobios en su afán de ampliar fronteras y crear amplios centros de poder y de explotación de recursos al tiempo que consolidan sus ideales políticos y económicos Desde ellos los monarcas favorecieron la expansión hacia los otros reinos de la Corona de Castilla y luego hacia Europa creando también las ferias más importantes justamente en este entorno geográfico As estas tierras castellanas se vieron abocadas a ser la llave de una provisión forzosa y sumisa de hombres y medios económicos para su política de expansión interior y exterior
