Jewish Child Anita Diamant, Karen Kushner, 2008-08-26 From the New York Times bestselling author of The Red Tent a classic parenting book that combines insights from Jewish tradition with contemporary thinking about how children learn and grow In this updated edition you will discover the practices customs and values that go into creating a Jewish home and raising joyful children within the rich traditions of Judaism **9099□9□9□e99□9□9□®** Michael L. Munk, 1983 For more than a generation Rabbi Michael L Munk as a sidelight to his busy schedule of educational and communal work has fascinated audiences with his learned and provocative lectures on the Hebrew alphabet In the process of opening eyes and raising eyebrows he has convinced countless people that his contention is true the Hebrew alphabet abounds in scholarly and mystical meaning He has developed and proven a profound thesis The alphabet if correctly understood is a primer for life Ethical conduct religious guidance philosophical insights all are nestled in the curls crowns and combinations of the Hebrew letters This is one of those rare books that is both interesting and profound learned and readable The wisdom and compassion of the author is evident in those subtle ways that do not intrude on the reader but give him the satisfaction of knowing that a rich warm productive lifetime of experience is flavoring the text **How to be a Jewish Parent** Anita Diamant, Karen Kushner, 2000 From the bestselling author of The Red Tent comes indispensable practical advice for those who wish to build a family and a home imbued with the values and traditions of Judaism Celebrate! Lesli Koppelman Ross, 2000-10-01 This innovative how to guide and reference book on the Jewish holidays provides a well rounded foundation for both knowledge and action Unlike many books of its kind Celebrate The Complete Jewish Holidays Handbook is nondenominational and comprehensive in approach The author includes the historical development religious importance and personal significance of each Jewish holy day in a way that is useful to both beginners and those well versed in Jewish practice The richness and depth of Jewish tradition with a full range of information on why and how to celebrate is presented in a lively warm and user friendly manner **Points of Viewing Children's Thinking** Ricki Goldman-Segall, Ricki Goldman, 2014-04-08 This book is about learning and ethnography in the context of technologies Simultaneously it portrays young people s thinking attitudes in computer based learning environments and it describes how the practice of ethnography is changing in a digital world The author likens this form of interaction to the double helix where learning and ethnography are intertwined to tell an emergent story about partnerships with technology Two school computer cultures were videotaped for this study Separated not only by geography one school is on the east coast of New England and the other on the west coast of British Columbia on Vancouver Island they are also separated in other ways ethnic make up and inner city vs rural settings to name only two Yet these two schools are joined by a strong thread a change in their respective cultures with the advent of intensive computer use on the part of the students Both school communities have watched their young people gain literacy and competence and their tools have changed from pen to computer video camera multimedia and the Internet Perhaps most striking is that the way they think of themselves as learners has also changed they see themselves as an active

participant in the pilot's seat or director's chair as they chart new connections between diverse and often unpredictable worlds of knowledge

Viduy Booklet for Kids Adina Broder, 2021-06-25 The purpose of this booklet is to make the entire Viduy tefilah accessible to children ages 9-16 for whom reading the English translation in the machzor would not sufficiently explain the meaning of the words. Written in easy-to-understand language and with examples that are applicable to children's lives, this booklet will make the Yom Kippur davening more meaningful and relevant to children of all ages. PRAISE FOR VIDUY BOOKLET FOR KIDS In preparing this Viduy Booklet for Kids, Morah Adina Broder creates a highly readable, child-friendly guide to the Yom Kippur Viduy that will surely enhance young people's understanding and kavanah intention when reciting the viduy that recurs so many times during the Yom Kippur service. As an educator par excellence who touches the heartstrings as well as teaches, Morah Broder brings both an age-appropriate sensitivity to the text and its meaning as well as concrete examples from the everyday lives of students that will surely resonate with young people when they use the Booklet as a learning tool and especially as a companion to the Machzor. I hope that it will be used by both schools and parents. Mrs. Rookie Billet, Shulamith School for Girls, MD Principal. I have been shown a draft of Viduy Booklet for Kids organized and presented by Mrs. Adina Broder. Viduy is not only a challenging mitzva for us all; it is the centerpiece and anchor for the entire Yom Kippur davening. Mrs. Broder has done a tremendous service to our youth by opening up to them much of the rabbinic concepts expressed in our viduy. She tries to capture the idea behind each line with a focus on having practical teshuva messages for our children and grandchildren. May this booklet instill deep feelings of repentance in both young and old and may we all merit to return to Hashem with all our heart. Rabbi Shalom Rosner, Rav Nofei Hashemesh, סגן ראש ישיבה, ישיבת מנחת יצחק, סניף אשדוד.

The Sins of the Nation and the Ritual of Apologies Danielle Celermajer, 2009-04-27 This book examines the apology's extraordinary political emergence and significance to ideas of collective responsibility, ritual, and contemporary politics.

Building Bridges Among Abraham's Children Edward McGlynn Gaffney, Marcia Sachs Littell, Michael Bazyler, 2025-06-10 Building Bridges Among Abraham's Children honors the extraordinary career of Professor Michael Berenbaum, a luminary in Holocaust studies, museum design, filmmaking, and interfaith dialogue. With contributions from renowned scholars and close friends, the short and highly readable essays in this collection delve into the core themes that have defined Professor Berenbaum's work: biblical and postbiblical narratives, rabbinic thought and action, Jewish commitment to education, interreligious relations, and Holocaust remembrance. From his role in building the US Holocaust Memorial Museum to his pioneering work in preserving survivor testimonies through film, Professor Berenbaum's influence is profound and multifaceted, and the compelling essays in this volume serve as a tribute to a scholar whose enduring legacy continues to make a global impact.
