MOVE Richard Kent Evans, 2020-06-01 Richard Kent Evans tells the story of MOVE a small little known mostly African American group that emerged in Philadelphia in the early 1970s In 1985 the Philadelphia Police Department working in concert with federal and state law enforcement attacked a home that

MOVE members shared in West Philadelphia Eleven people were killed in the attack including five children Many MOVE members thought of themselves as belonging to a religion but to others most importantly the courts MOVE was anything but Evans uses MOVE s story as a lens through which to examine how we decide what constitutes a genuine religious tradition and the enormous consequences of that decision

Metadesigning Designing in the Anthropocene John Wood,2022-06-08 Long sighted radical and provocative this book offers a foundational framework of concepts principles and methods exemplified with selected tools to enable metadesigners to manage and reinvent their practices The book reminds readers that designers are albeit unwittingly helping to shape the Anthropocene Despite their willingness to deliver greener products and services designers find themselves part of an industry that has become the go to catalyst for dividends and profit If our species is to achieve the rehabilitation and metamorphosis we may need to design at the level of paradigms genres lifestyles and currencies This would mean making design more integrated comprehensive adaptive transdisciplinary self reflexive and relational The book therefore advocates a shift of emphasis from designing sustainable products services and systems towards cultivating synergies that will induce regenerative lifestyles The book will be of interest to managers designers scholars and educators from a wide range of backgrounds including design research design history design studies and environmental studies
