Tithing Nailed To The Cross:

Tithing: Nailed to the Cross A. Bruce Wells, 2011-05-17 TITHING NAILED TO THE CROSS is a book that cuts through all the opinions traditions superstitions imagined benefits and false doctrines to clearly and doctrinally explain the absence of tithing in the New Testament Bruce plainly teaches why tithing is not required after the Resurrection the beginning of the New Testament how tithing can interfere with sonship faith and even salvation and how tithing can expose you to the curse of the Law causing health financial marital and many other problems Wouldnt it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Wouldnt you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And wouldnt it be nice to have a royal ring put on your finger a kingly robe placed on your back and a big hug of approval without having to sleep in the bunk house as a servant until its decided that you can be trusted We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the New Covenant likewise tithing is no longer obligatory So will you choose to develop a shaky faith based on the works of an Old Testament law that never should have been carried over to the New Testament Or will you choose to develop a resolute faith that is based on Jesus immutable work at the cross which included the removal of Malachis ordinances tithing Will you go with the crowd or the truth

Was Tithing Nailed to the Cross Albert W. Anderson, 1950 *The Great Tithing Debate* A. Bruce Wells, 2007-03-16 Finally there s a book that uses sound rightly divided doctrine and wisdom to answer all your tithing questions No longer will you have to rely on opinions clich s wishful thinking passed down deceptions legalism or plain ole foolishness just to know what is required of you and where you stand with God The Bible is very clear for those who want to know All of your questions are thoroughly answered in THE GREAT TITHING DEBATE The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross When the reality of redemption is properly understood most questions disappear and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock When redemption is fully understood one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross Yes tithing worked in the Old Covenant as a part of the total Law but has absolutely no place in the New Covenant that provides everything Romans 8 32 through the blood of Christ Peter counted such teaching as tempting the Holy Spirit in Acts 15 Paul obviously had the same opinion in most of his writings for those who will read them without wearing their tithing glasses We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision

became nothing under the NT likewise tithing is no longer obligatory Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And finally wouldn't it be nice to have a royal ring put on your finger a kingly robe put on your back and a big hug of approval without having to sleep in the bunk house as a servant until it's decided that you can be trusted So this is a book about salvation something that the church seems to know little about Beyond forgiveness of sins today's church seems to be unaware and uninterested in understanding redemption This vacuum has left us open to a myriad of opinions questionable doctrines and even deception This book endeavors to fill some of that vacuum You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy Examine the free preview below and taste and see that the Lord is good even much better than we've been taught Hopefully pride a rampant byproduct of legalism and performance won't keep you from hearing Maybe you're still teachable and open to God's leading even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian DO YOU KNOW THAT Malachi was A. Bruce Wells, 2007-05-01 What Tithing Is Not, What Nation Is He Speaking To William Thomas Gregory, 2003-07 **Perspectives on Tithing** David A. Croteau, 2011-05 David A. Croteau Ken Hemphill Bobby Eklund Reggie Kidd and Gary North debate the varying views on how Christians are to give of their financial resources addressing the myriad of questions surrounding the complex issue A *Declaration of Christian Truth* Randy Gingrich, 2022-11-21 Truth Repentance Glory Revival This book takes the reader on an adventure of intriguing theological thought as it explores over fifty topics relevant to the Christian life The author's teaching is to the point yet comprehensive enough to answer a range of questions as it articulates the truth of God's Word The value of understanding the Bible blossoms in the beauty of God's glory as the wisdom of the Lord applies his truth to our everyday life A much needed systematic theology is established as doctrine is taught with originality in the power of the Holy Spirit with dynamic revelation It builds solid truth in a structural style and should resonate with any believer as prophetic personal and inspirational Theologically it is equivalent to a four year Bible College Biblical truth is taught to equip the Christian and minister with significant knowledge and wisdom on over fifty topics Many false beliefs and misconceptions are dealt with while God's Word is taught in clarity The book shares breakthrough insight on many subjects of the Bible that are hard to understand Also there is significant teaching on the born again experience the constitution of the Christian or who we are in Christ the baptism with the Holy Spirit authentic worship and much more This is a textbook for the Christian life Many will see it as a great source of sermons curriculum and position papers The titles of the forty four chapters should strike the interest of any God fearing truth loving Christian You will not be disappointed as the Holy Spirit articulates God's will sorts out ideas clears away confusion and builds solid beliefs and practice You will see a consistency of relationship The Bible is a unified masterpiece of truth it's all related Most chapters start fresh with new topics and developing themes There are

studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of God's Word while attempting to satisfy the Bible College graduate. There is much teaching today that has obscured the true meaning and application of Scripture, placed a veil over the heart of believers, and deprived Christians of its complete relevant impact upon them. Therefore, it was necessary to write a book which establishes a systematic theology based upon the full counsel of God, Acts 20:27, without imposing agendas nor being controlled by any religious group.

The Author of Love Joc Anderson, 2011-07-08

Throughout history, God has been depicted variously as a judgmental tyrant, a grand conciliator, and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie *Oh God*. The question that's begging to be answered is: Who is God? This devotional evolved out of one person's desire to portray God in a truer light. In the Book of Job, God reprimanded Job's friends for failing to speak truthfully about Him. They misrepresented His character. Job, on the other hand, understood His Maker and was therefore the single voice of truth in an otherwise corrupt world. Can you honestly say that you know your Creator? Can you speak truthfully about Him? This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character. He is, if nothing else, a God of love and compassion. At the conclusion of your devotionals, I have formulated a Love Quotient (LQ) test to measure the depth of your love. The questions are designed to be thought provoking and insightful. You may also find them a bit daunting and uncomfortable. Answer each question according to your beliefs. There are no wrong or right answers. It is my hope you'll find this little exercise revealing and instructive of how you love. The answers and Key are also included. Your heart is what you're all about. May you understand God's love for you.
